The City Attorney is the legal advisor to the City Council and City Administration. The City Attorney is a one-person office whose job is to help these bodies and offices achieve their policy goals within the bounds of Alaska law, through maximizing their entitlements and minimizing their liabilities. The City Attorney advises on various diverse legal issues impacting the function of municipal government, including contracts; leases; grants; planning and zoning; personnel; public safety; public records; parks and recreation; port; state and federal compliance; and defending the city in litigation. The City Attorney also assists with ordinance and resolution drafting and advises the Council and boards and committees on legal issues that arise during and outside of public meetings.

Finance 9 FTEs

The Finance Department is committed to providing timely, accurate, clear, and complete information and support to other city departments, citizens, and the City Council for the purpose of making informed financial decisions.

The Finance Department is responsible for the financial and budgetary operations of the City. The Finance Department processes purchase orders, issues vendor checks, processes the citywide payroll, compiles the budget, processes all accounts receivable transactions including the water and sewer utility bills, and invests the City's money. The department is involved in numerous day-to-day activities of City operations, including special assessments, land sales, land leases, personnel matters, insurance, pensions, and general accounting.

Planning 2 FTEs

The Planning Department is committed to encouraging thoughtful development practices while ensuring compliance with the Bethel Municipal Code (BMC). Key responsibilities include assisting citizens with new developments and property rehabilitation, reviewing development applications, and providing guidance to promote responsible growth. The department enforces code compliance related to planning, health, and safety, oversees floodplain development in accordance with local, state, and federal regulations, and maintains accurate permit records and community data. Additionally, the department monitors planning trends at all levels and recommends updates to the BMC to support community health, safety, and sustainable development.

Public Safety - 42 FTEs

Department of Public Safety Continued

The Bethel Department of Public Safety is responsible for delivering comprehensive emergency services to the community, including law enforcement, fire suppression, emergency medical response, rescue operations, and public education. The department is committed to protecting life and property, ensuring public safety, and enhancing the quality of life for all residents through professional, ethical, and community-centered service.

It is the mission of the Bethel Department of Public Safety to serve and protect the community through effective law enforcement, fire and rescue services, and emergency medical response. The Department is dedicated to providing unbiased, professional, and ethical public safety services that safeguard lives and property. Through integrity, honor, and a commitment to excellence, the department strives to maintain public trust and engagement.

Public Works Administration 2 FTEs

The Public Works Administration provides oversight for the essential infrastructure and utility services that support the community's health, safety, and daily operations. The department director manages a wide range of functions, including water, sewer, and solid waste utilities, lagoon waste management, facilities maintenance, water treatment plants, streets and road maintenance, and the management of city vehicles and equipment.

Public Works Streets and Roads 6 FTEs / 2 Seasonal

The Streets and Roads Department is responsible for the maintenance and improvement of the city's predominantly gravel road network in a challenging tundra environment. The department focuses on grading, drainage management, and seasonal upkeep to ensure safe and reliable transportation throughout the community.

Facility Maintenance 6 FTEs / 2 Seasonal

The Facility Maintenance Department ensures the proper upkeep and operation of all city-owned buildings and facilities. This includes routine maintenance, repairs, and managing systems such as heating, plumbing, and electrical to provide a safe, functional environment for city employees and the public.

Community Parks and Recreation 3 FTE / 2 PT / 2 Seasonal

The two \$25,000 Buckets are for shift work

Improve the quality of life in Bethel by providing abundant opportunities for healthy activities and community cohesion. This includes maintaining and enhancing; pool and recreational center facilities, outdoor parks and trails, recreational programs for all ages, access for all income levels.

Solid Waste Management 3.5 FTEs

The Solid Waste Management Department oversees the operation of the city landfill and provides residential dumpster pickup services to ensure effective and sanitary waste disposal. The department is committed to maintaining environmental compliance and supporting public health through responsible waste handling and site management.

Water and Sewer Utility 29.25FTEs/1 Seasonal

The Water and Sewer Utility Department is responsible for delivering safe, reliable water and wastewater services through both a hauled and piped system. The utility operates two water treatment plants and manages a wastewater lagoon to ensure regulatory compliance and protect public health and the environment. Services include the delivery of treated water and the collection of wastewater from homes and businesses, whether connected to the piped network or served through the city's haul system. In a region where extreme weather and permafrost present ongoing challenges, the department remains committed to maintaining and upgrading infrastructure to ensure consistent service delivery. A top priority moving forward is to improve operational efficiencies across all systems, with the dual goals of maintaining high service standards and reducing overall operating costs. These efforts are aimed at creating long-term sustainability and potentially lowering water and sewer rates for residents in the future.

Port of Bethel 3 FTEs / 5 Seasonal

The Port of Bethel is the receiving and transshipment center for petroleum products and barged freight for the Yukon-Kuskokwim Delta. The Kuskokwim area commercial salmon industry also relies on the Port for most of its infrastructure and processing requirements. The Port Cargo Dock is a nine-acre facility that offloads, stores, and distributes cargo destined for Bethel and transshipping to other communities in western and northern Alaska. Because the Yukon-Kuskokwim Delta is not connected to any other community by road or rail, the Bethel general cargo dock and staging area are critical to the shipment of freight to the Delta.

Fiscal Year 2026 Operating Budget Summary

General Fund Summary

The proposed FY26 operating budget is balanced in accordance with the Bethel Municipal Code.

General Fund Operating Expenses	\$15,079,561
Indirect Cost Recovery (ICR) from Enterprise	(\$1,367,651)
General Fund Operating Expenses after ICR	\$13,711,911
General Fund Operating Revenue	\$16,041,902
Debt Payments	(\$335,666)
Excess Revenue After Expenses and Debt Payments	\$1,923,107
Expected Depreciation	>(\$1,409,903)
Excess Revenue After Expected Depreciation	\$513,204

- The FY26 operating budget reflects a **reduction of \$1,237,205** in general fund operating expenses before an indirect cost recovery is applied compared to the previous year.
- The **indirect cost recovery**—operational expenses from enterprise funds was reduced by **\$649,988** from prior year.
- General fund operating revenue to expected to increase by **\$1,319,122**. This projection is largely due to the transition of the YK Fitness Center operations to a general fund operation. The facility is expected to generate **\$632,000** in revenue and the set-aside tax, which was previously budgeted as an in-kind transfer of **\$714,039**, is now also reflected as revenue.

Enterprise Fund Summaries

Enterprise Fund	Operating Expenses	Operating Revenue	Revenue/ Expenses	Expected Depreciation	Excess Revenue After Expected Depreciation
Solid Waste	\$1,253,294	\$1,471,238	\$217,944	> (\$218,321)	> -\$377
Water & Sewer	\$8,308,861	\$9,438,290	\$680,139	> (\$2,145,111)	> -\$1,464,972

Transit System	\$482,389*	\$482,389	0	> (\$26,389)	> -\$26,389

* City's Match to the Transit System is \$164,118. \$278,271 is from the grant, and \$40,000 is from fairs.

Personnel

Staff Reduction:

The budget reflects a reduction of **four** positions compared to the FY25 operating budget:

- Director of IT
- IT Technician
- Fire Chief
- Police Officer (School Resource Officer)

IT Department Personnel Explanation:

The IT Department lost two budgeted employees in 2024. The total personnel cost for that budget was **\$302,060**. The FY25 operating budget for IT was **\$1,328,469**. The City transitioned operations to a contracted IT support team and is requesting **\$864,513** for the FY26 operating budget—a reduction of **\$463,956**.

Fire Chief Personnel Explanation:

The City has combined police and fire into a public safety department, reporting to a Director and Deputy Director of Public Safety. This transition resulted in the removal of the Fire Chief from the operating budget.

Police Officer (School Resource Officer):

The School Resource Officer was grant funded in the FY25 operating budget. With the expiration of the grant, one full-time police officer position was removed from the Police Department budget.

Position Title Changes:

Police Lieutenant → **Deputy Director of Public Safety**

Position Type Changes:

We have found success in advertising for part-time employment. The FY26 operating budget includes part-time employees for:

- Grant Manager
- Administrative Assistant, Administration
- Administrative Assistant, City Clerk's Office
- Accounting Specialist I, Finance

These adjustments result in savings within the benefits and taxes, as part-time employees do not qualify for the same benefits as full-time employees.

Miscellaneous Personnel Items:

Merit:

Merit has been budgeted at **2.5%** for each position. This is the standard rate agreed upon in the City's Collective Bargaining Agreement and part of the adopted wage scale for exempt employees.

Cost of Living Adjustment (COLA):

A COLA has been applied to all positions. This is a standard provision in the City's Collective Bargaining Agreement, though **new** for exempt employees. The adjustment was made in response to two key factors:

1. Union employees outpacing executive team compensation, as noted in the 2023 Classification and Compensation Study. Union employees have historically received **4.5%–5.5%** increases annually, while leadership has received **2.5%–3%**.
2. The **2024** cost-of-living index of **2.9%** for Anchorage.

Interesting Personnel Points:

- The City of Bethel's operational budget includes **121 permanent employees**.
- Total budgeted wages in FY26: **\$10,516,848**.
- Total budgeted benefits: **\$6,141,215**—approximately **58%** of total wages. (Departmental benefit-to-wage ratios range from **28% to 75%**.)

Operations

Three significant operational changes are presented in this fiscal year's budget.

Parks and Recreation:

The first is the modification of the City's YK Fitness Center from an **enterprise** to a **general fund** operation. Enterprise funds are intended to be self-supporting through user fees. However, community service programs—like parks and recreation, public safety, and planning—are not intended to rely on user fees for full cost recovery.

By transitioning to a general fund, the City's tax contributions to the enterprise fund will return to the general fund, along with the user fee revenues.

- Proposed Community Parks and Recreation Department budget: **\$1,181,369**
- Reduction from FY25 YK Fitness Center budget: **\$311,398** (previously **\$1,498,489**)
- Projected user fee revenue: **\$632,000**
- Required draw from taxes: **\$549,369**

Equipment Leases:

The second change is moving equipment lease payments from the capital budget to the operating budget. Although these qualify as capital expenses, they are annual costs not tied to multi-year projects.

- General Fund: **\$406,884**
- Port Enterprise Fund: **\$185,357**

Indirect Cost Recovery (ICR):

ICR allows the general fund to be reimbursed for services it provides to enterprise fund operations (e.g., utility services, port operations).

Each department evaluated how much of their resources support each of the enterprise funds. The updated figures provide a more accurate reflection of service costs:

- ICR reduced from **\$2,121,869** (FY25) to **\$1,367,651** (FY26)
- Reduction in general fund revenue: **\$754,218**
- Impact: **\$313,458** in savings on the Water and Sewer Utility for reference.

Operational Requests from Leadership Team

Public Safety

As noted, the school resource officer grant program ended, eliminating one officer position. The Director of Public Safety is requesting to fund the position and will reach out to LKSD for possible funding support.

Police Officer – School Resource Officer Cost Estimates:

- Total Cost: **\$115,500** (based on a \$70,000 salary)
- **Plan A:** School pays 75% / City pays 25% = **\$28,875** (City portion)
- **Plan B:** City pays 100% = **\$115,000**

Administration

- Classification and Compensation Study - \$50,000

NOTE: Per Ordinance #08-19: "...city manager shall cause to be introduced an ordinance proposing an appropriation to the general fund of monies in an amount equal to seventy (70) percent of the endowment fund's net income of the previous fiscal year". This change is effective beginning in FY10. To get on the schedule outlined in Ord. #08-19, no transfer to the General Fund will occur in FY10, but will resume in FY11.

City of Bethel Action Memorandum

Action memorandum No.	25-15		
Date action introduced:	April 22, 2025	Introduced by:	Mayor Henderson
Date action taken:		Approved	Denied
Confirmed by:			

Title: Approve Mayor Henderson's Travel Expenses For Alaska Walkability Action Institute.

Attachment(s): Alaska Walkability Action Institute schedule. Rent-a-car information.

Amount of fiscal impact:		Account information:
Estimate for Rental Car and Parking \$303		100-52-6060

Mayor Henderson will be taking part in the 2025 Alaska Walkability Action Institute, in Anchorage, Alaska.

The National Association of Chronic Disease Directors (NACDD) collaborates and receives financial support from the CDC on a multiday "course" for interdisciplinary teams representing approximately six regional/metropolitan planning organizations, or county or municipality jurisdictions from within a State. The interdisciplinary teams are comprised of public health, transportation, planning, elected officials, and other disciplines attend the course, develop team action plans, and implement policies, plans, projects, or system improvements to improve the design of their communities, regions, and States to support safe and accessible walking and biking over the long term.

The Alaska Walkability Action Institute will cover airfare, lodging, and per diem for participants. This travel is not automatically approved by Resolution 20-03 and requires Council approval to pay for incidentals. This AM will approve the expense of a rental car and parking while attending the event and allow for the city to cover the incidentals associated with the room; the only expected charges being the parking and a temporary deposit charge.

Travel to Anchorage will be on Tuesday, May 6th, 2025. Departure from Anchorage will be on Thursday evening, May 8th or Friday, May 9th.

Currently, the estimated travel expense for the rental car is:

Rental- \$65.00 a day x3= \$195.00

Hotel parking- \$36x3= \$108.00

Total Cost=\$303

City of Bethel Information Memorandum

Information Memo No.	IM 25-04		
Date introduced:	April 22, 2025	Introduced by:	City Manager Strickler
Amened actions:			
Confirmed by:			

Title: Documentation that the Bethel City Council Received and Reviewed the Full Financial Budget Report and Water & Wastewater Activity Report for the Month of March 2025.

Attachment(s): (1) City of Bethel Full Financial Budget Report July 2024- March 2025 (2) Water & Wastewater Activity Report March 2025.

Summary Statement

The attached financial report contains data for the month of March 2025. The information contained therein, and the contents of the Water & Wastewater Activity Report are distributed to Bethel City Council members for their review. This information Memorandum documents the dissemination of this report to Bethel City Council members, as required by the Alaska Department of Commerce, Community and Economic Development, Division of Community and Regional Affairs, in their administration of the Best Practices protocol.

The process of preparing and submitting a monthly financial report and a water and wastewater activity report to City Council helps the City earn points on the Water and Sewer Utility Best Practices Operation and Maintenance Reports. The city must have a score of 60 or greater out of 100 points in order to be approved for funding from the Environmental Protection Agency (EPA) and the Alaska Department of Environmental Conservation (DEC). In other capital grants administered by DEC's Village Safe Water Program, the city's Best Practices score is an application scoring criterion.

Bethel Heights WTP	A LOT of MAJOR repairs needed to bring BHWTP into compliance with sanitary survey discrepencies. Upgrade Project at plant will be getting started soon. Conducted meeting with engineers, contractors and sub contractors last week of September. (CFORD). BHWTP Upgrade work is ongoing. During High Demand bypass tie in shutdown, allowed water to drain both out in the distribution loops and at the plant to allow work to continue. Discovered that both loop flows reversed under gravity and drained back to the plant through their supply. We found no functioning drain or isolation valves close to the plant to expedite the process. High demand bypass piping installed sanitized, and pressure tested. Awaiting TC results as of 11/27 at 9:00 AM. (SLEPPY)
City Sub WTP	Monthly water logs to ADEC on time. Total Coliform and Corrosion Control samples collected and sent for analysis. DBP2's for 3rd quarter also sent. Minor plant repairs and upgrades continuing. (CFORD). Pressure loss event in sewer glycol loop A occurred on 11/22/24. Discovered a major leak in the first manhole junction box nearest the plant. Heater hose and valves were severely corroded and leaking on both supply and return on loop A. Leak was repaired, pressure restored and glycol added to loop. (SLEPPY)
Sewer Lagoon	No lagoon activities.
Piped Sewer	5 alarms on residential lift stations were responded to, requiring 4 repairs.
Piped Water	Monthly meter readings and service connections/ shutoffs completed.
Other	Currently have 2 vacancies in maintenance. 1 water treatment operator has been hired and is being trained. 3 interviews were held for maintenance positions, with 1 request to hire submitted.

City of Bethel, Alaska

City Manager's Office

April 3, 2025- April 15

Capital Project Updates

Community Center 95% Draft

On Saturday the City Team received the 95% design from DOWL, and Architects Alaska. The group has reviewed the design and provided comment/feedback to the contractors. A cost evaluation meeting is scheduled for May 2nd. The draft plans are included in this report.

Port Wall Repairs

The contractor, H Construction, completed the work to the East Wall and the front of the harbor on Friday April 11th.

Boardwalk Lighting Project

The contractors, Premier Electric, returned to Bethel on April 14th to begin their second phase of the lighting project. They will be in town for two weeks, running the lines, and leveling the poles which should get them to project completion.

Boardwalk Bridge

After observing structural deficiencies with the metal bridge spanning the slough in Pinky's Park, the City asked local contractors for quote to repair the bridge. Unfortunately, after test holes were dug by two contractors, neither were comfortable driving the piling to brace the bridge. As a temporary alternative, the City applied some temporary bracing and is requesting, through emergency procurement, a structural evaluation of the bridge to ensure it is safe for summer use.

Ptarmigan Street Culverts

The request for Bid for the Ptarmigan Street Culverts was issued Monday, April 14th and is due May 5th.

Steamboat Slough Derelict Vessel Remediation

The grant manager submitted a draft workplan for this project to the EPA as part of the grant application requirements. Considering the grant is only \$5 million, we anticipate only being able to remove one or two of the vessels.

Community Partnerships

Yuut Elitnaurviat

The City Manager, as a Board Member of Yuut Elitnaurviat, is participating in the sub committee created to interview the next Executive Director. A candidate review meeting was held April 10, two applicants were selected for interviews.

Bethel Friends of Canines

Shout out to BFK9 for their mention in the National Publication of ASPC!

State of Alaska Department of Transportation

Reached out to the State of Alaska Department of Transportation to see what their road maintenance plan is for the spring thaw. There is a lot of carry over dirt on Chief Eddie Hoffman Highway and Ridgcrest Drive along with the pedestrian pathway.

City Walkability Action Plan

The City met with YKHC on April 15th to discuss the walking needs of the community. We are working on a presentation to the walkability group scheduled for the end of the month.

Air Quality Monitoring

The State of Alaska, through various partnerships, will be conducting air quality monitoring this summer. Administration met with the State to discuss the identified location outside of Owl Park, along with the timeline for the shipment and installation of the equipment.

General Operations

Operational Audits

In preparation for the presentation of the FY26 operating budget, and to help ensure operational effectiveness, the Administration is performing a number of internal and external audits.

Internal audits include:

- City cell phone issued to staff-19 services cancelled.
- City Microsoft licensing- 80 licenses will be cancelled.
- Landlines, Fax lines and phone updates-our service provider will be on site in the coming months to perform an evaluation of our phone system to ensure the landlines the City has accounts for, are currently in use.
- Printers- The City has seven large printers, and 29 smaller printers. We will be evaluating the lease terms for these printers and reducing the size/numbers as contracts will allow.
- An evaluation of our assets was carried out to help make sure the insurance coverage for the asset is appropriate. We will see an increase in the coverage amount.

External Audits Include:

- Hauled water and sewer account Zone 1/2 corrections. We learned that we have some customers in zone 2 that are listed as zone 1 customers. Notices have been mailed out/emailed to customers impacted by the account updates.
- Solid waste utility account corrections. Many of our commercial account holders were not charged for the services they were receiving. We learned that the size of the dumpster and frequency of hauls was not consistent with the account. This includes a number of City accounts. Notices have been mailed out/emailed to customers impacted by the account updates.
- Business registration compliance will be a priority for this administration. Following the renewal period, and the transition of new staffing, we are looking at:
 - delinquent business accounts
 - operators that are not registered

Public Nuisance Abatement

Junk Vehicles:

- Over the last six months, the City has collected over 40 junk vehicles and has nearly run out of space for vehicle storage at the landfill. The team is looking forward to summer hires to assist in the draining of liquids and removal of batteries so the vehicles can be properly disposed of.
- There are forms online for residents to complete to request a free pick up and disposal of junk vehicles located on their property. This will be provided on a first come first serve basis and as space at the landfill allows.
- The team continues to evaluate the process for the notification to property owner, collection of, and tracking of these vehicles. A policy/procedure is forthcoming.

Nuisance Properties:

- The Planning Commission, City Council, and Administration have prioritized the cleanup of public and private areas of the community. The Planning Department has a total of 41 properties of nuisance properties.
 - Seven of the properties are included in the City Manager's Report of Nuisance Properties scheduled for hearing on April 29th and 30th.
 - Many of those properties the City does not have ownership record of. The Planning Department will release a general notice of nuisance abatement orders for many of the properties that do not have ownership records available on DNR.
- Administration has created a form for residents to submit a complaint about a nuisance property to be added to the list, following an evaluation by the Planning Department.

City of Bethel, Alaska

City Clerk's Office

Meetings

April 8, 2025 Regular City Council Meeting
April 15, 2025 Special City Council Meeting
April 22, 2025 Regular City Council Meeting
April 29, 2025 Nuisance Abatement Hearings
April 30, 2025 Nuisance Abatement Hearings

City Clerk's Office

- The City Manager sent a report to Council Identifying seven properties for Nuisance Abatement. The City Council will hold hearings on April 29th, 30th, 2025 to determine the report's accuracy and if the Council declares a property a fire hazard, health hazard, or public nuisance, it may order the owner or their agent to correct the issue, remove the structure, or demolish it. If the order is not followed, the City may take corrective action—including demolition and removal, the cost of which constitutes a lien on the property, chargeable to the proceeds of its sale. The abatement process is found in BMC 15.04. The Clerk's Office created the record for each Nuisance Abatement Hearing and served the record and notice of the Hearings to the property owners by certified mail. In addition, a notice was brought to each property and posted or handed to the property owner. Notices of the Hearing have also been posted in three public places around town. The records are also available on the City's Website. Although the City Council will hold the Hearings, they will be serving in a Quasi-judicial capacity.

-In the process of updating the Public Request for Information policy and procedures.
