## Resignation from C/P/R committee after July 14

Hi folks,

I need to resign my seat from the community, parks and rec committee. For the last half of 2025, my schedule is going to be very challenging (with some very cool stuff). When I look at the upcoming months, many of those events or their associated travel will make it difficult to impossible for me to make these monthly meetings and I will definitely miss more than are allowed (I forgot to call in for June from a road trip when I lost track of the time difference- sorry about that).

I think it's in the best interest of the committee if one of the alternates could have my seat.

I've served on this particular committee for a long time with a brief break - it's been a great experience, I fully support recreational opportunities and infrastructure for our community, and Kayla you're doing a great job!

If there are any issues filling seats in 2026 send me a text- I am trying to make sure my 2026 calendar does not mirror my 2025 craziness and I'll be happy to pick this back up once things are a bit less hectic.

City Manager's Office

June 19-July 2, 2028

## General Operations

### Requests for Proposals/Bid, Contracts, & Leases

- We will be working to re-release the business auditing RFP it is in review with the Finance Director now.
- We have released an RFP for leveling the City Hall and Courthouse. Following the proposal submission deadline, we will present to the City Council a budget modification to cover the expected cost of the services along with the authorization to enter into a contract.
- Only one proposal was received for the janitorial services request for bid. Contract is submitted to the City Council for consideration this meeting.

### Projects

- Culvert Replacement: Construction is still scheduled to begin in early July, pending final approval by BIA for the temporary construction easement.
- EK35 will be applied to about five miles of community roadways: Ptarmigan, Tundra Ridge Road, Tower Road, BIA the week of July 16<sup>th</sup>.
- We anticipate receiving an updated quote for design work changes to the Animal Control Center within the next few weeks. The goal will be to have materials ready for a fall barge shipment and construction initiated spring of 2026.
- Public Works is working to create a hazardous waste acceptance policy which will include guidance on the acceptance of residential and commercial buildings that were demolished. A draft policy was provided to DEC and will be updated following their feedback.
- The City's OneWeb satellite units have been malfunctioning for a few months. Contractors have made three trips to Bethel to perform repairs but we continue to see interruptions in services that are significantly impactful, not just to the employees, but to our residents attempting to utilize our online utility and business services. We have concluded, we will not be able to repair the satellite units onsite, they will wither need to be taken down and sent in for repairs, or replaced. Administration is working on a quote for a replacement of the units, which is the most cost effective option.

### Partnerships

Community Services Patrol Program- We received notification from the Alaska Division of Behavioral health that our grant will be reduced from \$351,968 to \$2442,310 for FY26. The team is working on updating the operational budget for the Council consideration through a budget modification. The plan is to reduce the number of employees responding to community service patrol from three to two.

### **Nuisance Properties**

We have performed our thirty day review of the properties. Some of made improvements, some have not. Administration is working on updating a report to the City Council.

The Planning Commission has identified five more properties they would like to consider at their next abatement hearing if the property owners do not comply with the final 30-day notice of abatement:

- Bethel Trailer Park, U.S. Survey 4117, Lot 37, Our Own Road
- 834A Ptarmigan Street
- 239 Akiak Drive
- 9330 Nengquerralria
- 155 Sixth
- 181 Sixth

The Planning Director sent out notice of final opportunity to abate before the Council's hearing. The property owners will have thirty days from the date of the letter to respond.

**MEMORANDUM**

DATE: June 30, 2025

TO: Lori Strickler, Acting City Manager

FROM: John Sargent, Grant Manager

SUBJECT: Grant Manager’s Report for July 8, 2025 Bethel City Council Meeting

**Grant Applications Submitted**

**State Revolving Fund Loan Questionnaire**

I prepared and submitted a questionnaire for the State Revolving Fund Loan program by the June 30, 2025 deadline. I requested \$1 million for the replacement of the backwash tank and associated plumbing at the Bethel Heights Water Treatment Plant. The City is currently depositing backwash full of contaminants onto the floor of the backwash room and onto the open tundra below the plant. The City does not have an ADEC discharge permit to discharge backwash onto the tundra.

**Grant Awards**

**CSP Grant Award for FY 26**

The City of Bethel received notice from the State of Alaska that we must make a 25% reduction to our CSP grant funding. The \$80,770 cut will result in the elimination of one of the CSP positions. Hopefully, with additional money added to overtime, the program with two CSPs can still be successful and help save lives.

**Grant Applications in Preparation**

**EPA Grant for Removal of Derelict Vessels**

The City grant application for EPA funding was submitted. Several EPA specialists have been assigned to the City of Bethel to guide us through the EPA funding process. The City now must complete and submit the 18-page NEPA Environmental form and the City Port Director must complete two more EPA grant training modules.

**State Revolving Fund Loan Applications**

The questionnaires that I completed for water and sewer projects were reviewed and scored. Four projects were recommended for 100% loan forgiveness, making these loans equivalent to grants without match. The projects proposed with loan forgiveness are:

1. City Subdivision Water Treatment Plant Automation  
 Loan Request: \$1,369,000      Proposed Forgiveness Amount: \$1,369,000
2. Bethel Heights Water Treatment Plant Automation  
 Loan Request: \$1,418,000      Proposed Forgiveness Amount: \$1,418,000

- 3. QFC#2 Lift Station Improvements  
 Loan Request: \$975,000                      Proposed Forgiveness Amount: \$975,000
- 4. Sewer Haul Truck  
 Loan Request: \$315,009                      Proposed Forgiveness Amount: \$315,009
- 5. Water Distribution Center Design  
 Loan Request: \$1,904,574                      Proposed Forgiveness Amount: \$713,000

I must now complete and submit the full State Revolving Fund Loan application for each project by February 28, 2025.

**Grant Administration**

**Closed Grants**

Alaska Designated Legislative Grant for Gym Design. The City expended 100% of the Alaska Designated Legislative grant in the amount of \$500,000 for the public safety communication tower. The grant covered a portion of the cost of purchasing and installing the lattice tower on police station property and removal of antennas from the KYUK radio tower and antenna attachment to the new tower.

**Professional Development**

**EPA Grant Training Modules**

I completed all five EPA grant training modules as a pre-award requirement. The modules took 30 min. to 90 min. each to complete.

## **Recruitment and Hiring**

HR is now tracking the number of applications that have been forwarded to Departments for review. This will help us determine which Departments are requiring more review and follow up beyond the application itself.

The average retention currently reflects those employees who are separating. HR will also be compiling statistics on overall retention as pay of the City's pay equity review.

HR is working with Community Parks and Recreation to establish Job Descriptions and pay-scale standards to support the City's operations at YKFC.

## **Employee Training (Pending Update from APRA)**

With the merger of Alaska Public Entity Insurance and the Alaska Municipal League into APRA (Alaska Public Risk Alliance), the City will now be offering employee training through Target Solutions. HR will be working to set up employee accounts as APRA activates their new system. The first assignments will include Sexual Harassment training, Bullying, and Workplace Violence.

## **NeoGOV Activity**

All employees have been assigned the Alcohol and Drug Free Workplace policy for review. This is annual requirement. The policy can be viewed in NeoGov and all policy acknowledgments are stored in the employees' online personnel file.

## **Forms Review**

HR is creating a travel and training request form and process in NeoGov. This will eliminate the paper process.

Requests for Hire, Employee Evaluations, Employee Discipline notices, and Performance Improvement Plan have all been added to NeoGov, further reducing the need for manual paper processes.

## **Workplace Safety, Injuries and OSHA Notifications**

No injuries were reported during the month of June.

## **Ongoing and Future Projects**

- Updating classification and compensation data.
- Job Description review and updates.
- Updating the Employee Handbook, last adopted by City Council in 2015.

## June 2025 Events

- **Planning Commission:** An update on nuisance properties was presented and discussed. The latest proposed land swap arrangement put forward by Senator Hoffman was discussed in depth with the City Manager presenting the Senator's latest alternatives to the initial suggestion. Ultimately, one (1) of the alternatives was selected with modifications and will be presented by the City Manager to Senator Hoffman.
- **YK Fitness Center Gym Expansion:** The project is now 100 percent designed and has a GMP (Guaranteed Max Price) contract with UICC (Ukpeagvik Inupiat Corporation). The Anchorage office of the ACOE (U.S. Army Corps of Engineers) granted an emergency exemption on the wetlands requirement so the project wouldn't be delayed this summer.

- **Database Tracking Table:**

Residential Site Plan Permits	Received this Month	Total Received for Year	Total Approved for Year
	<b>13</b>	<b>21</b>	<b>21</b>
Commercial Site Plan Permits	<b>2</b>	<b>7</b>	<b>7</b>

Variances	<b>0</b>	<b>0</b>	<b>0</b>
Zoning Amendments	<b>0</b>	<b>1</b>	<b>1</b>
Plats	<b>0</b>	<b>3</b>	<b>2</b>

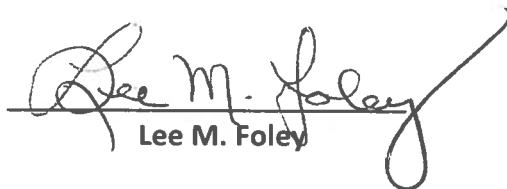

- **Summary Statement:**

- **Abandoned and/or Junk Vehicles:** Some progress is being made City-wide in abandoned and/or junk vehicles being moved to the landfill. However, there are many, many more so

the momentum must be kept up going forward. Certified letters continue to be sent to the owners where these types of vehicles are sighted. Vehicles parked illegally or blocking thoroughfares are towed to the impound section of the Landfill and owners, if known, are notified that they have thirty (30) days to recover the vehicle or it will be demolished.

With respect to the nuisance property at 155-181 Sixth Avenue that has an abundance of vehicles, special health circumstances resulted in the owner being given an extension until September 18, 2025, to correct the issues.

- **Vacancies:** Fully staffed.
  
- **Other Events:**
- **1.** DOT had a survey crew in Bethel to examine Chief Eddie Hoffman Highway for future restoration. Separately, the City Manager and I met with the DOT Team and were briefed on their activities.
  
- **Large Projects:**
- 1. Ptarmigan Street Encroachments** – An updated spreadsheet identifying the remaining encroachers was provided by DOWL. Certified letters to those entities, except for Grant Aviation, will be promulgated in June. The City Attorney is working with Grant Aviation and attorneys representing Eric Middlebrook to resolve their encroachment issue.
- 2. Ptarmigan Street Culvert Replacement** – ROW issues continue to slow the process. However, DOWL states that the BIA has described a path forward that they feel will be fruitful. The contractor, Knick, will be providing a schedule for the project during the week of June 23-27, 2025.
- 3. City of Bethel Professional Housing Project** – Some internal progress photos are attached.
- 4. Hazard Mitigation Plan** – Planning continues to provide information for the update of this project. Information detailing the Plan and how public outreach can be of assistance will be published on the City’s website. Public Works deferred providing information on buildings with lead-based paint or asbestos until the Public Works Director returns from personal leave.
- 5. Nuisance Abatement** – I accompanied the City Manager on a tour of the public nuisance properties that were identified in Resolutions 25-03, 25-04, and 25-05. No significant improvement was noted. Separately, the City Manager reached out to Warren Polk (800 & 800A Tundra Road), and I reached out to Bruce Francisco (1119 Ridgecrest Drive), to see if any clean-up had been started, and when demolishing would take place, respectively. The owners of the nuisance property at 140 Torgerson Square have an approved site plan permitting them to demolish the structure but work has not yet begun.

- **Small Boat Harbor**

The small boat harbor saw an increase in activity in the month of June. In the first week, we were able to get the floats deployed with the help of the Streets and Roads Crew. We have been selling permits in the office and in the harbor. To date, we have sold roughly 220 permits and around 60 float spaces. We currently have five port attendants for the summer, and we should have coverage every day from 0800 until midnight. The Port crew had to do some minor repairs to our approaches on the North side that had broken railings. We have had to monitor and add gravel to the front of our approaches where we had dug it out for the leveling. The land has been settling, and with the recent rain, it has caused washouts on almost all the approaches. New signage has been installed, and we have new Vehicle with trailer signs for the South side of the harbor. And in the coming months, we will be deploying more Not Liable signs, as well as long-term parking signs and no wake signs throughout the harbor.

- **City Dock/Beach 1/Petro Port**

The City Dock and Beach 1 have been roaring with life in the month of June. To date, we have had a total of 5 mainline barges that have brought a total of 12,418,480 pounds of freight into Bethel for both Bethel and the Region. And at the Petro Port, we have had a total of 3,080,246 gallons of petroleum either brought to or taken from Bethel. Our Beaches have been busy as well. Brice Marine is done with freight movements through Bethel for the foreseeable future. We had promised them storage space at beach two if they needed it. But they were able to move all their freight out of Bethel and upriver.

- **Port Office**

The port office is running well. We have no issues with heat. Although we have had a bit of a problem with connectivity at the end of the month here at the Port office. I am told that we are not the only ones with the problem and they are aware of the problem. Building Maintenance continues to do their morning checks on the building, with no problems.

- **Admin / misc.**

Our monthly storage is prepared and will leave the Port office the second week of July. All boat movements will be calculated and billed out this first week of July. The Port Commission did not meet in June. Our next scheduled meeting will be at 7 p.m. on July 21, 2025. At City Council Chambers. The port of Bethel is storing equipment boxes for the state of Alaska for an air quality test that is set up in Bethel this summer. It is expected to last at least 6 weeks. I

am talking with our providers for the new floats about a potent spring 2025 deployment. We have hired a new Admin Assistant for the Port and we are working with them to get them up to speed. Everything if going well and they are picking up everything in a timely manner.
