City of Bethel

August 8, 2025

From: Planning Director
To: Planning Commission

Subj: Agenda Items

The following items appear on the agenda for the Planning Commission Meeting on August 14, 2025:

UNFINISHED BUSINESS

1. Discussion Update on Public Nuisance Properties:

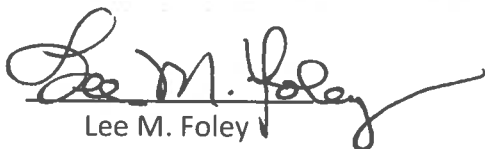

- a. An updated public nuisance spreadsheet will be found in your packets.
- b. The owner of 236 Akiak has cleaned up the property including having the junk car taken to the Landfill and boarding up the structures. This site will be removed from the public nuisance spreadsheet.
- c. The owners of 229 Akiak had a rehearing with the City Council on August 7, 2025. Visible effort has been made to correct the issues and will continue until everything is corrected. The site remains on the spreadsheet.
- d. The owner of the property identified as 151-181 Sixth Avenue has made a major effort to eliminate his public nuisance issues. He was given a two-month extension but will be finished before the extension expires.
- e. 30-day final notices were sent to the owner of 834A Ptarmigan & 239 Akiak, the owner of 9330 Nengquerrairia, and the Bethel Trailer Park. Those notices expired with no responses so they have been referred to the City Council for an Abatement Hearing.
- f. A second notice was sent to the owner of the collapsing house at 1119 Naun Raq.

2. Discussion on Adding the Pledge of Allegiance to The Agenda:

- a. The Planning Commission meets in Council Chambers where the American Flag is always on display. Therefore, I am recommending that Commission members consider permanently adding the Pledge of Allegiance to The Flag on the agenda immediately after the Call to Order.

3. Discussion on Landfill Operations and the Department of Environmental Conservation (DEC):

- a. The approved City policy for the Demolition or Renovation of buildings and DEC's requirements is included in your packets.

Lee M. Foley

City of Bethel, Alaska

City Manager's Office

July 9-August 5, 2025

Personnel

The City team has official taken over the operations at the YK Fitness Center, and has gained over 20 new employees! We welcome each of them and look forward to working with them to expand our Parks and Recreational services.

LT. Jesse Poole resigned from the Police Department. LT. Poole served this community for over eight years and was key in keeping the department organized as we transitioned through a number of different administrative and police department leaders.

Projects

Professional Housing Units

The City was awarded a \$3 million grant from the Alaska Housing Finance Corporation with a \$450,000 City match, to construction and manage six units for "professionals" defined by the state to include Teachers, Health Care workers, and public safety workers. The units are expected to be completed this year. An appraisal of the units was completed to determine fair market value for the rent rate. We anticipate being able to advertise the vacancies first, to state employees, as required by the grant, then to city employees, in the fall.

Affordable Housing Units

The City was awarded a \$2 million grant to construct and manage three affordable housing units. The City released a competitive proposal for a contractor to construct and manage those units, the City acting as passthrough for the funding. The affordable housing units are scheduled for completion on August 11th.

Ptarmigan Street Culvert Project

A \$3 million capital budget appropriation from General Funds was approved by the City Council to invest in new culverts in two locations on Ptarmigan Street. The replacement project is to address damaged and aging culverts. The project kicked off July 30th after delays caused by unknown utility lines down the center of the road. The culvert to the east is scheduled for replacement between July 30-August 30, and the western culvert between August 31-September 30.

YK Recreation Center Expansion

The pad is nearly complete. A surveyor came out to check the grade of the pad to ensure the pad will be about 10' from the foundation of the building. The piles and the steel are scheduled on the last barge for piling install scheduled of January.

Animal Control Shelter

The Animal Control Shelter is budgeted at \$2.75 million, \$250,000 from a Rasmuson Grant. The original cost of the prior facility design came in \$2.33 million. Administration has been working on a design modification with DOWL to one, help reduce costs, and two, to better meet the needs of the facility users. DOWL anticipates having an updated design soon which will go to UIC for construction quotes. Facility with construction scheduled for the spring/summer of 2026.

Leveling Services for City Hall and Nora Guinn Courthouse

In an effort to improve maintenance standards for our facilities, the City released a request for proposal to have the two municipal buildings leveled. Following the public solicitation, the City received six proposals from qualified contractors. The review team will be evaluating and scoring the proposals. We anticipate having a contract approval and the budget modification updated at the August 26th meeting. Following the leveling services, the city will need to initiate a number of overdue repairs to the Nora Guinn Courthouse.

EK35 Application

Contractors were in town July 28-August 1, to provide support and instruction to the City team on the EK35 dust prevention application. The group applied the dust palliative to most of Ptarmigan Street, Akakeek, Tundra Ridge Road, Noel Polty, and BIA. The gravel material on Tundra Ridge Road did not seem to hold the material. The Streets and Roads team has continued to have maintenance issues with Tundra Ridge Road since it was transferred to the City following the State's construction. The team is considering applying our gravel to the top of the road during the fall and applying another few layers of EK35 to the surface to see if that helps improve the long term condition of the road (preventing washboard and potholes as well as dust).

Long Term Parking Permits Port

We are finding many vehicles not complying with the long-term parking requirements. Administration is working on identifying the appropriate approach to issuing citations for violators. The fine is \$50. Each day may be considered a separate violation. Signs have been posted and

notices placed on vehicles in the meantime. A log of the length of time for each vehicle is also being maintained.

Rehabilitation of Parks

The City Council authorized \$100,000 for the rehabilitation of parks in the FY23 capital budget. This year, the Facility Maintenance Team spent \$50,000 on wood for the boardwalk maintenance, and \$50,000 on playground fill. Unfortunately, the \$50,000 for fill was not enough to cover all of the playgrounds so the team utilized unspent facility maintenance funds at the end of FY25 to purchase additional material.

Nuisance Abatement Procedures

Administration provided the City Council with an update on the phase one properties confirmed to be nuisance properties by the City Council, attached. There is one property that has not made significant improvements in compliance. The property owner reached out to the City Manager in the week of July 28th to request a few more weeks. While administration is not able to grant a few more weeks to allow compliance, the City does not currently have the staff to dedicate to the abatement.

The Administration provided the City Council with the phase two set of properties for consideration of abatement.

There are 73 properties identified by public reporting or administration determination to qualify as public nuisance. The Administration spends a few months attempting to contact the property owners to provide notice of violation and opportunity to cure. The goal of these abatement notices is to obtain voluntary compliance with the Bethel Municipal Code. When those notices go unanswered or the property owner does not make reasonable improvements, the property will be submitted to the City Council for an abatement hearing.

Administration has also identified a new process for providing notices on vehicles that are junk or assumed to be abandoned. While we are limited in the number of vehicles we can collect at this point in time because of a significant backlog because of personnel limitations for draining fluids and removal of vehicle batteries for the vehicles set for destruction.

Improved Pedestrian Walkways

Streets and Road has been putting in rails to help prevent motorized vehicle access on pedestrian walkways, a good example of this is behind the Ridgecrest Cemetery. The City did not cut down the trees behind the Ridgecrest Cemetery. Someone was trying to be helpful. Because of that clearing, the City had to install guardrails to prevent four wheelers and snowmachines from using the trail. They also put some up instead of the pipe, by the new Streets and Roads shop. The Facility Maintenance team is, when time allows also repairing the boardwalks that cross the City's water and sewer lines. It appears at some locations snowmachines are using those boardwalks and destroying the wood.

Harbor Park Sign Installed

This was the sign design that won the kids election in 2024. We hosted an "art camp" a few months back and invited kids of all ages to help paint the sign. We had a number of kids show up to chip in. Kids photos are attached.

Grant Updates

Safe Streets 4 All

The grant application for the \$52,800 grant with a city match of \$13,200 faced review delays with the federal government but we received and signed the grant award letter. We will begin coordinating with our contractor, DOWL. The goal of this project is to identify alternative transportation routes for our community.

Homeland Security Grant-Virtual Shooting Simulator

The city received a \$76,000 grant to purchase a virtual shooting simulator. The equipment was purchased and should be arriving within the month.

Derelict Vessels

The City received a direct appropriation from Senator Murkowski to remove the abandoned barges in Steamboat Slough. For the City to obtain those grant funds, the city had to apply for the grant through the EPA. The Grant Manager and Port Director had to participate in five grant training modules; we have to enter into an agreement with a property owner near the site to allow the use of the land for mobilization. This MOA is required to outline how the city will manage the hazardous/dangerous/solid wastes associated with the project. The team is also meeting with the granting agency every two weeks to ensure that the grant application process meets the very detailed standards of the grant. We still have not obtained the award or formal approval.

Security Improvements at the Police Department

The City was approved for a \$70,000 direct appropriation from Senator Murkowski for security improvements at the police department.

City of Bethel

July 10, 2025

From: City Manager, Lori Strickler

To: Bethel City Council

Subject: Updated Report on Public Nuisances (BMC 15.04.010)

The City Council held a Nuisance Abatement Hearing on April 30, 2025. The following properties were declared a public nuisance by the City Council on May 13, 2025:

621 Setter
229 Akiak
244 Akiak
808 Ptarmigan
104 Torgerson

Each property was provided notice of their required abatement from the City Clerk's Office, based off the City Council's findings on May 19, 2025. The following provides an update on the status of the orders to abate issued to each property.

PROPERTY #1

Address: 621 Setter

Owner Of Record: Michael Typpo

Notice of Order to Abate Sent by City Clerk:

Required Abatement:

Within thirty (30) days:

- Property owner shall remove, dispose of, or properly store appliances and large items such as water heaters, Toyo stoves, bed frames, grills, bike frames, truck bed storage boxes, boat motors, toilet components, and window frames.
- Property owner shall eliminate fire hazards as follows: tires, foam panels, pallets (plastic, wood, broken, or intact), five-gallon buckets, 50-gallon drums, and gas cans must be removed or neatly organized inside an enclosed, weatherproof, fire-resistant structure if intended for personal use, or otherwise disposed of properly. If retained, gas cans must be emptied, cleaned, and safely stored according to fire safety regulations.
- Property owner shall remove or neatly organize all loose trash and debris including broken tarps, cardboard boxes, scattered trash cans, totes, garden hoses, pumps, crutches, shovels, extension cords, chair parts, and/or other items.
- Property owner shall organize salvageable property by neatly storing, safely stacking, and securing against tipping or damage any useable plastic or metal water tanks; if deemed unusable, such property must be disposed of properly.
- Property owner shall remove any remaining loose or broken materials such as wood scraps, foam panels, or pallets; repair or remove items that pose trip, fall, or fire risk; and maintain walkways, access areas, and rights-of-way free from obstruction and debris.
- The City shall verify that cleanup efforts are underway.

Within fourteen (14) days, the property owner shall sign up for city utilities (water and sewer).

Within sixty (60) days, the property owner shall determine which of the vehicles on his property are junk vehicles as defined in BMC 10.15.010(D) and notify the City that such vehicles are ready for removal.

Update on Nuisance June 23, 2025:

1. The property did not have a utility account set up with the City within the 14 days' timeline required by the City Council. The property did prepay for solid waste services. A notice of Continued Violation was sent June 10, 2025.
2. No other improvements were observed. Communication will be provided to the property owner with a reminder of the abatement obligations.

Original Photos Taken Prior to Nuisance Report

PROPERTY #2

Address: 229 Akiak

Owner Of Record: Tony and Ruth Evon

Notice of Nuisance Abatement Sent:

05/24/2024 and 10/30/2024

**Abatement Proceedings Are Stayed due to a request for a rehearing.*

Notice of Order to Abate Sent by City Clerk:

Required Abatement :

Within thirty (30) days:

- Property owners shall eliminate fire hazards as follows: pallets, five-gallon buckets, and gas cans must be removed or neatly organized inside an enclosed, weatherproof, fire-resistant structure if intended for personal use; otherwise, they must be disposed of properly.
- Property owners shall remove or neatly organize all loose trash and debris including broken tarps, cardboard boxes, scattered trash cans, totes, and/or other items.
- Property owners shall dispose of all inoperable vehicles and inoperable recreational vehicles.
- Property owners shall organize salvageable property by neatly storing, safely stacking, and securing such property against tipping or damage; if deemed unusable, such property must be disposed of properly.
- Property owners shall remove any remaining loose or broken materials that pose trip, fall, or fire risk, and maintain walkways, access areas, and rights-of-way free from obstruction and debris.
- Property owners shall remove the storage shed from the easement.
- The City shall verify that cleanup efforts are underway.

Within sixty (60) days, the City shall inspect the property to ensure all abatement efforts have been completed.

Update on Nuisance June 23, 2025:

1. The shed with trash in it, located within the easement has been removed however there is still an accumulation of trash on the ground where the shed was located (books, propane tanks, pipes, wood, alcohol bottles, pill bottles, boots, oil bottles, cans).
2. There are still at least four vehicles appearing to be inoperable on premises, each appearing to contain an accumulation of trash. One was moved from the right of way to the back of the lot.
3. Additionally throughout the property there are additional hazards still observed (vehicle batteries, gas cans, dryer, wood scraps, clothing/towel/bedding, cardboard).

Summary: Significant improvements have been observed at the property. Administration will hold off on communicating with the property owner until after the request for rehearing is processed.

Follow up inspection, June 23, 2025

PROPERTY #3

Address: 244 Akiak

Owner Of Record: Hazel Keezer

Notice of Nuisance Abatement Sent: 10/11/2024,
11/19/2024 hand carried-Public Safety Director

Notice of Order to Abate Sent by City Clerk:

Required Abatement :

Within thirty (30) days:

- Property owner shall eliminate fire hazards as follows: pallets, five-gallon buckets, and gas cans must be removed or neatly organized inside an enclosed, weatherproof, fire-resistant structure if intended for personal use; otherwise, they must be disposed of properly.
- Property owner shall remove or neatly organize all loose trash and debris including broken tarps, broken window frames and appliances, cardboard boxes, scattered trash cans, totes, and/or other items.
- Property owner shall dispose of all inoperable vehicles and inoperable recreational vehicles.
- Property owner shall organize salvageable property by neatly storing, safely stacking, and securing such property against tipping or damage; if deemed unusable, such property must be disposed of properly.
- Property owner shall remove any remaining loose or broken materials that pose trip, fall, or fire risk, and maintain walkways, access areas, and rights-of-way free from obstruction and debris.
- Property owner shall demolish or repair accessory structures (shed/building) that are not on a foundation and/or have missing doors and windows.
- The City shall verify that cleanup efforts are underway.

Within sixty (60) days, the City shall inspect the property to ensure all abatement efforts have been completed.

Update on Nuisance June 23, 2025:

1. Four vehicles were observed on the property, one having broken windows, flattened tires and an accumulation of trash within, another having flattened tires, another not fully visible. Three looked to potentially be operable.
2. The other observable hazard is the shed in the back appears to be off foundation presenting a risk of harm.
3. The property has been organized to have neatly stacked wood and pallets in one location.

Summary: Significant improvements have been observed. Administration will communicate with the property owner acknowledging their efforts and requesting continued attention be provided to the few items remaining.

Original Photos Taken Prior to Nuisance Report

Follow Up Inspection, June 23, 2025

PROPERTY #4

Address: 808 Ptarmigan

Owner Of Record: Travis and Kenny Dostert

Notice of Nuisance Abatement Sent: 10/30/2024

Notice of Order to Abate Sent by City Clerk:

Required Abatement:

Within thirty (30) days:

- Property owners shall eliminate fire hazards as follows: pallets, motors, five-gallon buckets, and gas cans must be removed or neatly organized inside an enclosed, weatherproof, fire-resistant structure if intended for personal use; otherwise, they must be disposed of properly.
- Property owners shall remove or neatly organize all loose trash and debris including broken tarps, cardboard boxes, scattered trash cans, totes, and/or other items.
- Property owners shall organize salvageable property by neatly storing, safely stacking, and securing such property against tipping or damage; if deemed unusable, such property must be disposed of properly.
- Property owners shall remove any remaining loose or broken materials that pose trip, fall, or fire risk, and maintain walkways, access areas, and rights-of-way free from obstruction and debris.
- The City shall verify that cleanup efforts are underway.

Within fourteen (14) days, if the residence is occupied, the property owners shall sign up for city utilities (water and sewer).

Within sixty (60) days, the City shall inspect the property to ensure all abatement efforts have been completed.

Update on Nuisance June 23, 2025:

1. There are still vehicles that appear inoperable at the site. On the date of the inspection there were two parked in the City's right of way.
2. There are a number of heavy equipment which appear to be in working order parked neatly on the property.
3. Scrap metal and wood seems to be more organized but there were still observed hazards such as tires, a large tank rested on top of a large pile of trash.
4. While there are a few buildings on the property, they do not appear to have people residing in them.

Summary: Significant improvements have been observed. Administration will communicate with the property owner acknowledging their efforts and requesting continued attention be provided to the few items remaining.

Original Photos Taken Prior to Nuisance Report

Follow up Inspection, June 23, 2025

PROPERTY #5

Address: 140 Torgerson

Owner Of Record: Moravian Church

Notice of Nuisance Abatement Sent: 10/31/2024

Notice of Order to Abate Sent by City Clerk:

Within 120 (One Hundred and Twenty) Days:

- Property owner shall demolish, remove, and dispose of the structure in its entirety including all debris, foundations, and hazardous materials.

Within 60 (Sixty) Days, the City shall inspect the property and/or communicate with the property owner to ensure that progress is being made toward demolition, including but not limited to a signed contract with a demolition company.

Update on Nuisance June 23, 2025:

- The property owner has submitted a site plan permit for the demolition of the structure, which has been approved and is awaiting the availability of the contractor.

City of Bethel

August 4, 2025

From: City Manager, Lori Strickler

To: Bethel City Council

Subject: Report on Public Nuisances (BMC 15.04.010)

Nuisance properties negatively impact the community's quality of life, economic development, and overall safety. The City has both the authority and obligation to enforce municipal regulations to abate such properties.

The City is working through phase 2 of a multi-phase effort to address nuisance properties within the community. The properties that contain accumulation of junk vehicles, trash piles, other conditions that present fire hazard, create attractive nuisance, and contribute to neighborhood blight.

Phase 1 and 2 focus on properties with known owners who have been provided with a notice of opportunity to cure the nuisance. Despite the notice, the properties continue to exhibit conditions that violate [Bethel Municipal Code 15.04 Hazards and Nuisances](#) standards.

Relevant laws used to determine case for abatement:

Bethel Municipal Code (BMC) Chapter 15.04 – Hazards and Nuisances

BMC 15.04.040 Definitions:

“Fire hazard” means any structure, which, for want of proper repairs, or by reason of age or dilapidated condition, or by reason of poorly installed or defective electrical wiring or equipment, defective chimneys, defective heating apparatus or any other cause or reason, is especially liable to fire, or which building or structure is so situated and occupied as to endanger any other structure or property or human life. Such term shall also mean and include any structure containing any combustible or explosive material, rubbish, rags, waste, oils, gasoline or inflammable substance of any kind, especially liable to cause fire or endanger the safety of such structure, premises, or human life. Such term shall also mean and include any situation or condition in which any combustible or explosive material, rubbish, rags, waste, oils, gasoline or inflammable substance of any kind is especially liable to cause or spread fire or endanger the safety of any structure, premises or human life.

“Health hazard” means any parcel or structure which is in a filthy or unsanitary condition especially liable to cause the spread of contagious or infectious disease or diseases or permits foul odors or obnoxious or poisonous gases to escape from such parcel or structure.

“Public nuisance” means any parcel or structure the condition of which is such as to likely endanger the safety of persons or property of persons other than the owner of the building or structure, whether because of damage, deterioration, dilapidation, or other cause whether or not the fault of the owner.

BMC 16.12.030 Definitions:

“An activity arising from unreasonable, unwarranted, or unlawful property use that interferes with public or private property rights, endangers health or safety, or causes material annoyance, inconvenience, or discomfort.”

Upon receiving the report, the **City Council will hold a hearing** to determine its accuracy (**BMC 15.04.010**). If the Council declares a property a fire hazard, health hazard, or public nuisance, it may order the owner or their agent to correct the issue, remove the structure, or demolish it. If the order is not followed, the City may take corrective action—including demolition and removal, the cost of which constitutes a lien on the property, chargeable to the proceeds of its sale (**BMC 15.04.020(D)**).

July 31, 2025

To: Lori Strickler
From: Jim Chevigny
RE: July monthly report to city manager

Area/projects worked on during July:

- Leveling RFP
- Updated the P.O. form to comply with current BMC
- Completed the State Revolving Fund annual detailed Financial Projection
- Performed a detailed review with the Fire Chief of the EMS and fire dept reporting systems, how each is connected to Life Quest and now I have a good understanding of the system. ImageTrend (EMS) and EmergencyReporting (Fire)
- Replied to SEMT program auditor for their 2020 review of the data sent with the 2020 report from the Fire Dept.
- Contacted Justgrants (Justice Grants System) and ASAP in order to establish myself as the contact under John Sargent who is the administrator. Once I have been added I can follow through on this requests concerning their grant.
- Met with Jason Toole of Long Spring Solar together with Lori @ their new installation at YUUT and learned much about their system. Will follow up to learn more about eh economics and how a solar system might benefit the city on a site-by-site basis, such as the Pool/Gym complex.
- After receiving an equipment bid from one supplier, checked online and bought the exact equipment from another supplier at a \$25,000 discount, incl freight & installation.
- Completed the first V&E parts inventory in 6+ years. The iWorq fleet management system will now be updated to reflect the actual counts made which will benefit the confidence level of all looking up parts. This test inventory was carried out very well by the personnel assigned and in another month we will conduct a complete inventory of all the parts.

MEMORANDUM

DATE: August 4, 2025

TO: Lori Strickler, Acting City Manager

FROM: John Sargent, Grant Manager

SUBJECT: Grant Manager’s Report for August 12, 2025 Bethel City Council Meeting

Grant Awards

CSP Grant Award for FY 26

The City of Bethel drafted a new grant budget for the new CSP grant amount of \$242,310.75, the new amount approved by the State of Alaska after severely cutting the grant from the previous amount of \$323,081.

Grant Applications in Preparation

EPA Grant for Removal of Derelict Vessels

The City is working to revise three documents for EPA review that will allow the City to start the project with limited funding until the EPA compliance division approves the project’s environmental impact.

State Revolving Fund Loan Applications

I am completing four loan applications for vital water and sewer projects in Bethel. Each of the projects will have 100% of its loan proceeds forgiven.

1. City Subdivision Water Treatment Plant Automation (\$1,369,000)
2. Bethel Heights Water Treatment Plant Automation (\$1,418,000)
3. QFC#2 Lift Station Improvements (\$975,000)
4. Sewer Haul Truck (\$315,009)

Alaska Energy Authority Grant

I will review grant guidance and explore funding opportunities to purchase and install solar panels at both water treatment plants.

Grant Administration

Microgrant for Body Worn Cameras

I completed and submitted one grant report thus far that claimed \$33,876 of the \$60,000 grant award and \$33,876 of the match requirement. By December 2025, three Police Department employees will have contributed enough time on this body worn camera purchase and use project to cover the City's remaining match requirement.

Current Grants

See list on following pages.

City of Bethel Current Grants

#	Grant	Amount	Expiration
1	Coronavirus Capital Project (CCP) Fund	\$ 9,000,000	12/31/2026
	Design is 100% done. Cost estimate for construction: \$11,115,032. Refrigerated pilings due to in Bethel on last barge. Construction to begin this winter.		
2	Denali Commission Grant	\$ 500,000	9/30/2026
	Design and construction of Bethel Multiuse Community Center (gym, computer facilities). Grant is active. This grant will be tapped once CCP grant depleted.		
3	CSP - DHSS FY 2025	\$ 242,311	6/30/2026
	City submitted a new grant budget to accommodate for the State's one-time grant reduction from \$323,081 to \$242,311 for FY 2026. The State also increased the City's match requirement, but the in-kind expenditures made to operate the Dispatch Center are more than enough to cover the match.		
4	23SHSP-GY23 – Virtual Simulator & Fencing	\$ 268,000	9/30/2025
	Public Safety Chief Harris ordered the virtual shooting simulator after the Alaska Division of Homeland Security and Emergency Management approved the City's Procurement Method Report. The City is using the Sourcewell pre-bid contract.		
5	Designated Legislative Grant> Dust Control	\$ 1,200,000	6/30/2029
	Thus far, only \$52,932.90 claimed as expended. City must make more purchases.		
6	State and Local Cybersecurity Grant Program (SLCGP)	\$ 75,000	9/30/2026
	The City of Bethel plans to hire a consultant to conduct a cybersecurity review of the City's IT network, equipment, software, and physical layout. The City plans to use recommendations in the plan as grant requests in a succeeding year.		
7	VSW Capital Improvement Project Grant	\$ 13,860,000	
	DOWL is working on the design to run water pipes from the Bethel Heights Water Treatment Plant to the Martina Oscar Subdivision. City asked for \$4,060,392 in additional funds to cover upcoming year expenses.		
8	Last Frontier Housing Initiative	\$ 5,000,000	12/31/2026
	The low-income housing project and City professional housing project are proceeding rapidly. Ted Stinson with UrbanKNKT, LLC is doing a fantastic job and so is Kuqo Construction on the professional housing units.		
9	State Homeland Security Program Grant - SFY 25	\$ 9,000	9/30/2026
	This grant will cover the cost of paying a trainer to come to Bethel to teach ICS-300, an Incident Command System course for first responders and municipal administrators who may play a role in a major emergency situation.		

10	Safe Streets 4 All Grant	\$ 52,800	TBD
The City is waiting on grantor to obtain federal agency approval and then produce a grant agreement. Infrastructure, equipment, road signs, and other hardware recommended in the safety plan become eligible for funding in the next Safe Streets 4 All grant opportunity.			
11	Justice Assistance Grant (JAG)	\$ 11,116	9/30/2025
Security cameras and access control system installation at Police Station. The City applied for Homeland Security grant funds to match this grant for the full purchase of cameras and card reader equipment. No JAG funds have been spent to date. Senator Murkowski's office announced that the City's request for \$70,000 was approved for this camera/card reader purchase.			
12	Energy Efficiency and Conservation Block Grant (EEBG)	\$ 75,220	9/30/2026
Solar panel installation on YK Fitness Center. Project likely to begin once UIC begins construction of Bethel Community Center (gymnasium). Parks and Rec. Director assumed role of Project Manager for this grant.			
13	Rasmuson Foundation Grant	\$ 250,000	1/31/2026
This grant will cover part of the cost of constructing a new animal shelter in Bethel, once construction initiated.			
14	Community Transit Operating Grant	\$ 184,131	6/30/2025
Transit Manager Evon Fox manages the daily operation of the transit system, handles all purchases, and completes monthly billing summaries and quarterly reports. Next year's grant was approved in the amount of \$278,271.			
15	Community Transit Capital Grant	\$ 853,563	6/30/2026
This grant covers the capital cost of a new boiler in the transit center and the purchase of two new buses. Two buses purchased and in use. Boiler project was completed.			

Total \$ 31,581,141

CITY OF BETHEL

Post Office Box 1388

Bethel, Alaska 99559

Phone: 907-543-2047

TO: City Manager
FROM: Human Resources
SUBJECT: Monthly Manager Report

DATE: July 31, 2025

The following identifies significant projects that were in addition to general personnel action-based activities during the week (hiring, terminations, benefits review, employee support, etc):

Position Update

The City received 78 applications this month for vacant positions. In part, this was due to the transition of employees with Health Fitness becoming City employees.

Recruitment and Hiring

While the City's vacancies are getting visibility on Glassdoor and Indeed, those are primarily focused on administrative and office-type employment. Many applicants for these positions have limited work history and do not meet the position requirements.

Recruiting individuals with CDLs continue to be a challenge, with Hauled Services and V&E facing on-going long-term vacancies.

Employee Training (Pending Update from APRA)

APRA (Alaska Public Risk Alliance) has launched their Target Solutions training platform and HR will begin assigning employees to basic employment training.

Transition to Paperless Personnel Processes

The transition to paperless processing has been largely successful for onboarding and employee evaluations in NeoGov. Payroll is not as smooth, with internet delays impacting individuals' abilities to reliably clock in and clock out.

The biggest challenge is the reliance on not only reliable internet, but employees are required to retain and remember distinct logins for email, NeoGov, Timekeeping and Target Solutions training. Historically, most City employees were not using the City email, so transitioning to a culture in which employees routinely check their emails is moving forward, but slowly. Employees are being encouraged to check their emails routinely.

Workplace Safety, Injuries and OSHA Notifications

One injury was reported during the month of July and did not require OSHA reporting.

Bargaining Unit Coordination

HR is beginning preparation for negotiations for a new Collective Bargaining Agreement. Connections have been made with other HR Directors throughout the State with comparable contracts. In addition, HR has begun organizing and reviewing current job descriptions.

HR is also drafting an RFP for classification and pay equity – the results will have a direct impact on the City's approach in negotiations.

Ongoing and Future Projects

- Updating classification and compensation data.
- Job Description review and updates.
- Updating the Employee Handbook, last adopted by City Council in 2015.

City of Bethel

August 1, 2025

FROM: Planning Director
TO: Lori Strickler, City Manager
SUBJ: Planning Director's July 2025 Report

June 2025 Events

- **Planning Commission:** Updates on nuisance properties were presented and discussed. The Blue-Sky Land Swap issue was closed and will not be further discussed. The Planning Director's request to add the Pledge of Allegiance to the regular agenda was tabled as was further discussion on landfill requirements for demolition waste.
- **YK Fitness Center Gym Expansion:** The contractor (UICC) has the CD final drawings, and the steel shops are being manufactured. The thermopiles for the foundation are also in the final stages of manufacturing. The plan is to have them arrive in Bethel on the September barge. Civil work by the City is progressing according to the civil plan DOWL provided. The overall plan is to get the building pad and some/most of the lower parking/road done this year and all the rest in 2026. Chase Nelson from DOWL was in Bethel on July 30, 2025, to meet with Bill Arnold about this and other projects.
- **Database Tracking Table:**

Residential Site Plan Permits	Received this Month	Total Received for Year	Total Approved for Year
	9	30	30
Commercial Site Plan Permits	3	10	9
Conditional Use Permits	0	1	1
Variances	0	0	0
Zoning Amendments	0	1	1
Plats	0	3	3

- **Summary Statement:** One (1) commercial site plan permit application is pending while changes are made to the configurations in the original drawing. Planning staff attended Ex Officio Training on July 25, 2025.
- **Abandoned and/or Junk Vehicles:** Planning has started issuing the new Tow Notices developed by the Chief of Public Safety. I personally observed two (2) vehicles being hooked up by owner at 834A Ptarmigan, hopefully for towing to the landfill. Four (4) vehicles have been removed from the site on Sixth Avenue so far.
- **Vacancies:** Fully staffed.
- **Other Events:** Final goal of 2025 for the Planning Department is to try and develop an accurate map highlighting all City-owned properties.

- **Large Projects:**

1. Ptarmigan Street Encroachments – I met with the DOWL Surveyor on July 16, 2025, and personally walked the sites belonging to Eric Middlebrook, Grant Aviation, and KYKD Radio on Ptarmigan. The identified encroachments are valid. The City Attorney will be dealing with the Middlebrook attorneys and Grant Aviation. Part of the KYKD encroachment is due to air quality monitors that will be removed in August 2025. After their removal, KYKD will have to relocate their septic tank. A Team Meeting was held on July 22, 2025, to discuss responses to the various encroachments.

2. Ptarmigan Street Culvert Replacement – Signs were emplaced on Ptarmigan by Public Works notifying residents of street closure due to this project.

3. City of Bethel Professional Housing Project – No new photos this month.

4. Hazard Mitigation Plan – Information concerning the City’s ongoing update of its Hazard Mitigation Plan and how community members can assist has been published on the Planning page of the City’s website. The Public Works Director indicated that no current City-owned buildings have lead-based paint (LBP). Other structures throughout Bethel are being looked at to possibly identify this hazard.

5. Nuisance Abatement – Pauline continues to update the spreadsheet as needed with the latest information. Final certified letters were sent to the property owners at 834A Ptarmigan (owner has supposedly towed 2 vehicles to landfill), 239 Akiak (same owner as 834A Ptarmigan), 236 Akiak (clean up nearly complete), Bethel Trailer Park, 9330 Nengqerralira, & 151-181 Sixth Avenue (Vast improvement; major clean-up ongoing). Second letter sent to owner of 1119 Navn Raq property (Building collapsing) on July 22, 2025.

PORT OF BETHEL

Post Office Box 1388
Bethel, Alaska 99559
Voice: 907-543-2310
Fax: 907-543-2311

To: Lori Strickler, City Manager
From: Edward Flores, Port Director
Subject: July 2025 Managers Report

- **Small Boat Harbor**

The small boat harbor activity has slowed down compared to last month, but still just as busy for our crew, in this last month we have laid gravel, sanded the approach railings, tended to the land in front of the approaches, I believe we should be about fully settled now, we are still monitoring and adding gravel as needed with the weather. As well as laying new gravel on the northside beach just east of the ramp, the Fire Department was testing the fire engines on the north ramp, washing out our bank adjacent to the north ramp, and flooding three boats. I informed them that we would need a heads-up if they are planning on blocking half of the total ramp space in the harbor. Long-term parking signage were hung outlining the long-term parking area. As well as no wake signs were hung on the southside at the front and end of the entrance channel.

- **City Dock/Beach 1/Petro Port**

The City Dock and Beach 1 have been busy this last month. We have had 15 vessels make port calls here in Bethel. The Port crews had time to spread gravel on beach one at the water line, and level out the beach as a whole. During all that, we ran magnets over the land to take out any metal lying around that could potentially pop tires. We had the crews clean up the brush with chainsaws and weed whackers on the outside perimeter of the city dock near the bridge. In completing that task, we realized that there was a hole below our fence line. The hole was filled with gravel, and we drove three fence posts approximately a foot apart to deter further use of the hole. The last 30 feet of the fence was re-strung to complete a full line all the way to the retaining wall on the slough. We have had 3 vessels come out of the water for repairs for things ranging from light to moderate welding, as well as just a rope in the wheel.

- **Port Office**

The port office is running well. We have no issues with heat. Although we have had a bit of a problem with connectivity at the end of the month here at the Port office. I am told that we are not the only ones with the problem, and they are aware of the problem. Building Maintenance continues to do their morning checks on the building, with no problems.

- **Admin / misc.**

Our monthly storage is prepared and will leave the Port office in the second week of August. All boat movements will be calculated and billed out this first week of August. The Port Commission did not meet in July. Our next scheduled meeting will be at 7 p.m. on August 18, 2025. At City Council Chambers. The port of Bethel is storing equipment boxes for the state

of Alaska. They have completed the air quality study but want to keep the equipment in Bethel over the winter. We have agreed to store it at the Petro port. I am talking with our providers for the new floats about a potent spring 2026 deployment. With an installation of float A this fall, in the last week of August. We should have all the new floats in Bethel by the end of the season.

Description	Issued Prior Month	Total this Calendar Year
Number of Small Boat Harbor Permits Issued	23	303
Number of vehicle long-term parking permits issued.	4	6
Number of mainline vessels arriving/departing	5	27
Number of river vessels arriving/departing	15	41
Total cargo tonnage received	1,008.59 T	7,217.83 T

CITY OF BETHEL PUBLIC SAFETY

POLICE DEPARTMENT MONTHLY REPORT

July 2025

Personnel:

Current Staffing

FIRE DEPARTMENT MONTHLY REPORT

July Calls 2025

Total calls: 172

Fire Calls: 11

EMS Calls: 161

Most fire calls were lockouts both car and house and false alarms made up most fire calls.

Notable Fire Calls

On 07-04-2025 at 03:04 AM, Firefighters responded to the report of a residential structure fire. Firefighters arrived on scene and found a fully involved fire with flames coming from the entry and the front of the house. Water suppression was applied, and firefighters performed a search for victims. No victims were present, and fire suppression continued until the fire was extinguished. The fire is believed to be an act of arson with one suspect arrested by BPD.

On 07-23-2025 at 06:06 AM, Firefighters responded to the report of a structure fire. Upon arrival firefighters observed smoke and flames from a steam house. Firefighters deployed hose lines, initiated a fire attack, and put out the flame and smoke. The possible cause of the fire is determined to be from heat spread by the woodstove being used the evening before.

Notable EMS Calls

On 07-08-2025 at 05:53 PM, medics responded to the report of a seizure. The patient was assessed and transported to the hospital.

On 07-02-2025 at 11:30 PM, Medics responded to the report of a person bleeding from the head. The patient was assessed treated and transported to the hospital.

Most other calls were alcohol related.

Sobering Center calls: 4

Staffing

Career Staffing. 10 out of 11 positions.

Volunteering staffing. volunteers 38

Staff and volunteers have been hose testing all the department hose. All the apparatuses have been pump tested by certified testers. Next up in the next weeks will be hydrant testing,

Road Maintenance: Kinda know what needs to get done and that’s what we’ve done get it done.

Vehicles and Equipment: As usual fixing and repair vehicles and equipment and servicing as needed.

Transit System:

Busy July! Been utilizing TS 2 since TS 1 is down for mechanical issues. Should be up and running soon as I'm waiting for a call from Maintenance for an opening for them to work on it. Riders consisted of 850 Elders, 25 Youth, 71 Adults, 144 Disabled, and 1,161 Pass riders. 16 Month and 128 Day passes were purchased and the fares totaled \$963.00 with 4 days remaining for the month.

TS 2 logged 2,321 miles and 298.72 gallons of fuel was used.

Looking for to August which should be busy as well. Thank you.

Landfill & Hauled Refuse: As of today, the 28th the landfill has received 68 loads of trash from the dumpsters, 84 loads of trash brought in by other City vehicles rather than the dumpster truck, private citizens brought 343 loads of trash into the landfill, and commercial accounts brought 2,455 cubic yards of trash in. The landfill received 10 refrigerators to be drained and disposed of and 7 vehicles to drain and dispose of. The landfill is sorry to see one of the summer temporaries leave and we had another begin in July, the Landfill could use 2 more summer temporaries and one more full time person with a CDL.

City of Bethel, Alaska

City Clerk's Office

Meetings

July 22, 2025 Regular City Council Meeting 6:30pm -Cancelled

August 7, 2025 Nuisance Abatement Rehearing 6:15pm

Note: Rescheduled; was originally scheduled for July 7, 2025

August 12, 2025 Regular City Council Meeting 6:30pm

August 26, 2025 Regular City Council Meeting 6:30pm

City Clerk's Office

- On June 5, 2025 the Clerk's Office received a notarized statement from the property owners of 229 Akiak requesting a nuisance abatement rehearing. The abatement process is found in BMC 15.04. The Clerk's Office created the record for the rehearing and served the record and notice of the rehearing to the property owners by certified mail and email. In addition, a notice was posted on the property. Notices of the rehearing were also posted in three public places around town. The record is available on the City's Website. Although the City Council will hold the rehearing, they will be serving in a Quasi-judicial capacity. The hearing was scheduled for July 7, 2025, and the property owners requested that the meeting be rescheduled. The rehearing will be held on August 7, 2025 at 6:15pm.

-Updated the City's Record Disposal process.

- Coordinated with the City Administration to determine Record Coordinators for each department. Held a training for Record Coordinators to review policies and procedures for record retention and public requests for information.

-Coordinated with the City Administration to determine Ex-Officios for each committee and commission. Held a training for Ex-Officios to review their duties and obligations for committees/commissions.

- Trained two new Ex-Officios to use the City's Agenda Management software.

- Arranged Council travel to the AML Summer Conference in Utqiagvik in August for the Mayor.

- City Clerk was on PTO, July 21, July 28-30th.

Election Tasks:

-The Declaration of Candidacy for City Council opened on August 8, 2025 at 8am and will close on August 20, 2025 at 4pm. The Notice has been posted on Facebook, the City's Website, will air on KYUK in English and Yup'ik during this time, and will be in the Delta Discovery Newspaper. The audio recordings of the notice will also be on the City's Website. Candidacy packets are available on the City's website and at City Hall.

- The Deadline to Register to Vote for the Municipal Election is September 7, 2025.

- In addition to being the Early voting location for the Municipal Election, City Hall will serve as the Absentee Voting Location for the REAA School Board Election.

CITY OF BETHEL

Section 1. Demolition or Renovation of Commercial Buildings and Institutional Buildings

Building Survey Required Regardless of Building Age

1. Asbestos (ADEC Fact Sheet located at <https://dec.alaska.gov/eh/solid-waste/how-do-i-dispose-of/asbestos/>)
 - a. The building survey must include testing for asbestos regardless of the age of the building.
 - b. The building survey and testing must be done by a qualified person.
 - c. The building survey must include testing for asbestos or certification that materials do not contain asbestos based on the qualified person's evaluation of the age of the building and materials involved.
 - d. Material having asbestos greater than 1% will not be accepted in the City of Bethel Landfill. This includes both friable regulated asbestos containing material (RACM) and non-friable, regulated asbestos containing material (Non-RACM).
 - e. The contractor performing the work is required to contact the EPA (HOW) 10 days prior to demolition activities commencing.
2. Lead based paint (ADEC Fact Sheet located at <https://dec.alaska.gov/eh/solid-waste/how-do-i-dispose-of/non-residential-lead-based-paint/>)
 - a. Lead testing is required for structures built prior to 1978. For younger buildings the building survey should note that testing was not required due to age.
 - b. The testing should be done by a qualified person conducting the building survey.
 - c. A paint chip sample of the paint must be tested for total lead. If the sample has a total lead concentration of less than 400ppm, the material having the paint can be disposed of in the City of Bethel Landfill. If the sample has a total lead concentration of equal to or greater than 400ppm, the material is by definition a polluted soil and cannot be disposed of in the City of Bethel Landfill.
3. PCB based paints:
 - a. PCB testing required for structures older than 1979. For younger buildings the building survey should note that testing was not required due to age.
 - b. The building survey and testing must be done by a qualified person.
 - c. Waste material containing any PCBs cannot be disposed of in the City of Bethel Landfill.
4. Additional items of Concern (ADEC Fact Sheet <https://dec.alaska.gov/eh/solid-waste/how-do-i-dispose-of/construction-and-demolition/>)
 - a. These items should be identified in the building survey and tested as necessary:

- i. Lead pipe and solder
 - ii. Fluorescent tubes and bulbs
 - iii. Mercury switches and thermostats
 - iv. Solvents, or pesticides
 - v. PCB-containing transformers or light ballasts
 - vi. PCB-containing caulking
 - vii. Radionuclide-containing smoke detectors and exit signs
- b. These items are considered hazardous waste and cannot be disposed of in the City of Bethel Landfill.

Section 2. Complete Demolition of Residential Structures

1. If the residential structure contains 4 or less units, no asbestos testing or reporting is required. If City of Bethel Landfill personnel are concerned about potential asbestos in a load, they can request that the waste be watered down. It should then be placed in the landfill cell without breaking and covered without compaction.
2. If the residential structure has more than 4 units, the same criteria apply as for a commercial building for asbestos. A Building Survey is required.
3. Lead based paint. Complete demolition of a residential building follows the same requirements as for a commercial building provided in Section 1. (ADEC Fact Sheet located at <https://dec.alaska.gov/eh/solid-waste/how-do-i-dispose-of/non-residential-lead-based-paint/>)
 - a. Lead testing required for structures older than 1978. For younger buildings the building survey should note that testing was not required due to age.
 - b. The sample can be taken by the contractor and sent to a laboratory for testing.
 - c. A sample of the paint chip must be tested for total lead. If the sample has a total lead concentration of less than 400 ppm, the material having the paint can be disposed of in the City of Bethel Landfill. If the sample has a total lead concentration equal to or greater than 400ppm, the material is by definition a polluted soil and cannot be disposed of in the City of Bethel Landfill.
1. No PCB testing of paint is required.
2. Additional items of Concern (ADEC Fact Sheet <https://dec.alaska.gov/eh/solid-waste/how-do-i-dispose-of/construction-and-demolition/>)
 - a. These items are considered hazardous waste and cannot be disposed of in the City of Bethel Landfill:
 - i. Lead pipe and solder
 - ii. Fluorescent tubes and bulbs
 - iii. Mercury switches and thermostats
 - iv. Solvents, or pesticides
 - v. PCB-containing transformers or light ballasts
 - vi. PCB-containing caulking
 - vii. Radionuclide-containing smoke detectors and exit signs

Section 3. Renovation of Residential Buildings

No building survey is required.

1. If the residential structure contains 4 or less units, there is no asbestos testing or reporting requirements. If the City of Bethel Landfill personnel are concerned about potential asbestos in a load, they can request that the waste be watered down. It should then be placed in the landfill cell without breaking and covered without compaction.
2. No lead-based paint testing required. (ADEC Fact Sheet located at <https://dec.alaska.gov/eh/solid-waste/how-do-i-dispose-of/residential-lead-based-paint/>)
3. No PCB testing of paint is required.
4. Additional items of concern (ADEC Fact Sheet <https://dec.alaska.gov/eh/solid-waste/how-do-i-dispose-of/construction-and-demolition/>)
 - a. These items are considered hazardous waste and cannot be disposed of in the City of Bethel Landfill:
 - i. Lead pipe and solder
 - ii. Fluorescent tubes and bulbs
 - iii. Mercury switches and thermostats
 - iv. Solvents, or pesticides
 - v. PCB-containing transformers or light ballasts
 - vi. PCB-containing caulking
 - vii. Radionuclide-containing smoke detectors and exit signs

Section 4. Authority to Deny and Require Mitigation for Hazardous or Restricted Waste

The City of Bethel Landfill reserves the right to refuse any waste material that is determined, or reasonably believed, to be hazardous, toxic, contaminated, or otherwise prohibited under applicable federal, state, or local environmental regulations. This includes, but is not limited to, materials regulated under the Resource Conservation and Recovery Act (RCRA), Alaska Department of Environmental Conservation (ADEC) standards, or any other agency with jurisdiction over waste classification.

If the City of Bethel Landfill determines that any material proposed for disposal may pose a risk to human health, the environment, or landfill operations, the City of Bethel Landfill may:

1. Refuse to accept the material at the City of Bethel Landfill.
2. Require the generator or hauler to provide documentation, testing, or certification verifying that the material does not meet the definition of hazardous or otherwise prohibited waste.
3. Impose additional conditions or mitigation measures as a prerequisite to disposal, including but not limited to special handling, containment, pre-treatment, or alternative disposal methods.
4. Refer the matter to appropriate regulatory authorities for investigation or enforcement, if necessary.

The City's determination shall be final and made at its sole discretion based on available information, operational considerations, and regulatory guidance.

Section 5. Information Requirements to Determine Acceptability.

1. Complete the required application.
2. It is the responsibility of the person(s) seeking approval to dispose of demolition waste to provide sufficient documentation demonstrating that the material meets the requirements of this policy.
3. Allow 10 business days for initial review of the demolition disposal requests.
4. The City of Bethel Landfill may, based on the information provided in the application, request additional information, including additional laboratory analyses, before deciding whether to accept the waste.

Direct all demolition waste requests, inquiries, and disposal questions to the City of Bethel Landfill via any of the contact options listed below.

Phone 907-543-7711
