City of Bethel, Alaska

October 23, 2025- November 4, 2025

Emergency Response

As of this morning we have 247 known evacuees staying at 51 homes in Bethel.

We have communicated with everyone of the family primary contacts since Monday with the following update on support services:

- Drive Up Food Bank on Thursday
- 6 rental units available in town (the team called the registered businesses for short-term and long-term rentals and put the available one with their information into a list.
- Update on the FEMA application requirements

We have also had several direct individual support communications.

Participated in the 7 day a week 5p recap meeting to provide an update on Bethel and listen to the updates for the surrounding communities through October 31st.

Food Distribution Events:

Drive Up Food Bank Thursday, October 30th with Bethel Community Services Foundation and City Staff (left to right: Michelle DeWitt, Debbie Michael, Julie Olick, Lori Strickler, Kayla Saddler, Carey Atchak, Joe Atchak.

Food Delivery Event Friday, October 31st.

The same folks from Thursday plus, Council Member Schiedler, Council Member Conrad, staff from almost every department, Port, Planning, Public Works, Admin, City Clerk, Police, Bethel Food Bank folks assisted, as did Team Rubicon! We were able to deliver food to 207 individuals at 42 households in 1.5 hours!

We will be considering alternative distribution methods in the future to help reduce impacts to our personnel resources.

We participated in the very successful Resource Connect event held November 4th

Completed October billing for our host families, applying a credit to those families that have provided shelter support to displaced individuals. The City learned we may not receive funding reimbursements FEMA for the utility support program so will be looking to close the support at the

end of November. Fortunately, many individuals are starting to receive some relief payments from FEMA, Red Cross, and the State of Alaska.

Public Assistance Process-Administration and Jim Chevingny met with the State of Alaska Public Assistance Program the last week of October. John Sargent, Grant Manager, applied for the public assistance program, initiated through the State of Alaska but now tied to FEMA. Jim Chevingny, Finance Director, is working on getting the report together to cover the to date expenses.

General Operations

Pedestrian Safety John Sargent, Grant Manager, and Shane Iverson, Community Parks and Recreation Director, met with the City's Engineering firm DOWL to brainstorm the second layer of our pedestrian safety plan. Alaska Municipal League got a grant to do the same plan for us which was approved and funded before all of the federal cuts a number of months ago. The City's grant application got caught in limbo for about 6 months. Since both projects were funded, we are trying to blend the two together in a meaningful way.

Dredging of the River in front of Bethel- The Port Director, Ed Flores, prepared a letter which we will finalize next week. This is our first step to initiate the conversation and plan for dredging... which is expected to be a long process.

AVEC Support Letter Many of us are feeling the growing pains of Build America Buy America and all of the costly struggles that come with that provision. As requested by AVEC, we have provided the attached letter of support for their infrastructure project exemption request. Not likely to do much but it was worth a try.

Donlin Gold Administration met with GM Todd Dahlman, EA Manager Wendy Lindskoog, Coleen Laroux and Vernon Chimegalrea, with Donlin Gold on October 29th. They indicated Donlin Gold will be progressing with their development quickly -construction expected to begin in 2027. They are currently working on a financial feasibility study which they hope to have completed by the end of the year. They indicated they would like to provide a presentation to the City Council, we are looking at December 16th. Donlin Gold Email: Permitting - NOVAGOLD RESOURCES INC.

Water Treatment Plant On Friday, October 24th, that ~ 9:30p we had total pressure loss at the Bethel Heights Water Plant. Pressure was restored around 10:15p. Boil Water Notices were published after we confirmed total pressure loss at about Midnight. This followed notification of DEC of the total pressure loss and issuance of the notification certification. Bill Arnold, Public Works Director, and Administration met with LKSD and the LKSD Engineer on October 29th to discuss the cause of the pressure loss-which is still unknown.

The City's engineers looked through the City's pressure and return data and found the only strange number to be the pressure event at ~ 9:30. We are going to run a return line test with LKSD once our spare parts arrive. We have also set up a new emergency response procedure for the team.

Police Department Promotions Acting Director Kirkham completed the review and hiring of the three vacant sergeant positions with the following individuals promoted to SGT:

- Taylor Saulters
- William Charles
- David James

Acting Director Kirkham has accepted the position of Director of Public Safety and is awaiting Council confirmation scheduled for November 12, 2025.

Sales Tax-Administration and the Finance Director attended the AML Sales Tax Conference to learn more about the sales tax standards in Alaska. We will be preparing and presenting some code amendment as a result of the conference.

FROM: Cindy Sharp, Deputy Director of Finance

SUBJECT: Monthly Manager Report

Utility Billing has been busy with Typhoon Halong-Making sure people housing evacuees have enough water. It is Fall so we have a lot of changes to people's accounts. 102 delinquent notices were sent out.

Sales tax has been busy sending out notices for the new plastic bag ordinance. He has been reaching out to different businesses and working with them to get them current. FY24 Audit is in process.

Payroll/Accounts Payable: We are training Jocelyn, our new A/P person as well as Anjelika who started on Monday November 3rd.

Finance Committee

The Finance Committee did not have a quorum.

DATE: November 3, 2025

TO: Lori Strickler, City Manager
FROM: Jim Chevigny, Director of Finance
SUBJECT: Monthly Manager Report

- The semi-annual debt payment to the Alaska Municipal Bond bank was paid. The annual principal payment of \$220,000 reduced the balance to \$480,000. Semi-annual interest was also paid in the amount of \$17,500.
- The interest-bearing accounts are TVI @ \$16,653,872 and AMLIP @ \$3,980,859. Wells Fargo accounts total \$3,341,396.
- Our past due Ambulance billings are in process of being collected. I have been in close contact with the EMSMC rep and per Medicaid rules we are allowed to recover amounts dating the previous 12 months. They have been supplied the necessary information and are applying for Medicaid payments from October 2024 forward.
- Several proposed Ordinances have been reviewed, researched and comments submitted.
- The Mobile Equipment portion of the City's assets has been updated with the Dept Heads and have changes submitted to our insurance broker. The list now has accurate information, including department and description.
- Northern Contractors was selected to level the Courthouse and City Hall. I have been in close contact with their owner ensuring the project progresses timely. The City's bunkhouse was cleaned and ready for their use, janitorial implemented and an F-150 crew cab supplied for their use. They began the project October 27th and the daily room rate (\$200) and vehicle rate (\$175) will be totaled and deducted from their final invoice.
- The title for the ANC GMC SUV was located and its' sale is in progress.
- The inspection of the police depts' water filtration system by Mat-Su Water was coordinated with the PD. It was inspected in early October and the detailed repair estimate is to be received.
- I met with a partner of our CPA firm, Altman Rogers, and we reviewed the 2023 audit report in order to understand the detail of each fund. I will be following up with him for additional information as needed.
- The long-time Kenworth rep who has managed the City's account since we changed from Mack trucks was contacted, regarding the feasibility of adding a smaller truck that would not require a CDL. This is to address the constant shortage of CDL drivers which also results in excessive overtime in that department, a significant cost to the City. This

effort is ongoing, yet at this time may require further discussion and possibly a test vehicle , as none of the components are used in our current Kenworth fleet: The engine, transmission and rear end are all different, requiring additional parts inventory and training for the V&E crew.

- Met online with the US DOE – Indian Energy Policy and Programs group together with ANTHC, ONC and John Sargent to initiate a report to estimate the cost of a detailed study for establishing an Independent Power Producer in the Bethel area for a solar farm. This is the same group who were successful in funding the Bethel wind turbine several years ago and in 2024 approving \$3.35MM for a solar farm in Kotzebue. The ANTHC staff in the meeting are the report writers and they expect to produce the report by year end.
- Received a request for sales tax reimbursement from a Bethel company that overpaid their sales tax. I communicated with their owner rep and requested the needed information and documents to audit and verify their request, which they provided. Their request was accurate and the refund was approved and completed in October.
- Attended the AML ARSSTC sales tax conference in Anchorage from 10.20-10.23 and can verify it was a very educational. There was quite a bit of useful information that will be implemented by the City. I met with Clinton Singletary, the ARSSTC Director, and discussed several issues that he agreed to follow-up on behalf of the City. I held a meeting with the VP of Sales Tax for North America and the Manager of Public Policy of for Airbnb who provided useful information concerning the City's Short Term Rental tax that can be collected by Airbnb as a remote seller. This is in process with ARSSTC to establish a program yet there may be an opportunity to add Bethel sooner now that the introduction is in place.
- Another vendor that co-sponsored the conference with Airbnb, Avalara, is a major sales tax software company providing updated tax information to companies throughout the US. She provided useful information concerning how their software works with thousands of resellers together with 3 other software companies in that industry. I will be able to contact her with questions about the systems as they arise.
- Reviewed the ARSSTC line-item monthly report for resellers that need to be followed up with. In the case of Walmart, as an example, Clinton has been in contact with them.
- Attended the online meeting with the SOA Division of Homeland Security and Emergency Management, where their reps gave a presentation that was very thorough (2+ hours). It detailed what they can provide, how they interact with FEMA, the forms necessary for any reimbursement and the people who serve as our points of contact going forward. I have completed several informational forms and will assist in compiling the information needed for reimbursement.

MEMORANDUM

DATE: November 4, 2025
TO: Lori Strickler, Acting City Manager
FROM: John Sargent, Grant Manager

SUBJECT: Grant Manager’s Report for November 11, 2025 Bethel City Council Meeting

Grant/Loans Activated

Safe Streets for All Grant

The City of Bethel signed the grant agreement that provides \$52,800 in grant funds and requires \$13,200 in match funds to have DOWL produce a Safety Action Plan for Bethel. Alaska Municipal League also produced a draft Safety Action Plan for Bethel as part of a grant AML received, but there are gaps that the DOWL plan will address.

State Revolving Fund Loan – Sewer Haul Truck

The City signed an SRF loan agreement with the State of Alaska that provides a 100% forgivable loan for \$315,009 to purchase one sewer haul truck.

Grant Applications in Preparation

EPA Grant for Removal of Derelict Vessels

The City is working on a Memorandum of Understanding with Joe Dale for the use of his property on the Kuskokwim River that would be conducive to cutting up one or more of the barges removed from Steamboat Slough and shipping the pieces downriver by barge. The City is close to being approved by EPA to start spending some of the funding prior to full approval once EPA reviews and approves the City’s environmental review form response.

Alaska Community Transit Operations Grant FY 2027

The Alaska Community Transit Operations Grant for next year is due December 19, 2025. The City is planning to maintain its current operation schedule and personnel.

Recreational Trails Grant

The City is pursuing funding for the YKHC-City Subdivision Trail that will go from the YKHC campus to the City Subdivision and avoid the highway. This will be a gravel trail with some culverts in place to facilitate water movement.

Grant Applications Submitted

State Revolving Fund Loan Applications

I am working on three SRF Questionnaires for water and sewer projects with the goal of securing a forgiveness amount for each:

1. Structural survey of Bethel Heights Water Treatment Plant
2. Backwash tank replacement at Bethel Heights Water Treatment Plant (revision)
3. Water and Sewer truck operations center (storage facility)

Grant Administration

Safety Action Plan

DOWL's transportation planners held a meeting with City administrators to move forward on preparing a Safety Action Plan that meets the federal Department of Transportation's requirements and will help the City be able to use the plan as a basis for requesting additional capital grant funds. Examples of likely recommendations are brighter streetlights, additional streetlights, and improved pedestrian pathways.

EPA Earmark Grants in Limbo

The federal government shut-down is impacting the City of Bethel's \$5 million grant from EPA to assess, remove, and recycle abandoned barges in Steamboat Slough. The EPA contacts are currently incommunicado. The City also received notice of a federal earmark award for approximately \$70,000 to purchase security cameras and a card reader system for the police system, but has not new information on this award.

Current Grants

See list on following pages.

City of Bethel Current Grants - November 2025

#	Grant	Amount	Expiration
1	Coronavirus Capital Project (CCP) Fund	\$ 9,000,000	12/31/2026
	City of Bethel spent \$3,215,040 of the grant funds thus far and has a balance of \$5,784,960 left to spend. The grantor is using the new DCRA Grant Portal website to manage this grant.		
2	Denali Commission Grant	\$ 500,000	9/30/2026
	Design and construction of Bethel Multiuse Community Center (gym, computer facilities).		
3	CSP - DHSS FY 2025	\$ 242,311	6/30/2026
	City submitted a new grant budget to accommodate for the State's one-time grant reduction from \$323,081 to \$242,311 for FY 2026. The State also increased the City's match requirement, but the in-kind expenditures used to operate the Dispatch Center are more than enough to cover the match.		
4	23SHSP-GY23 – Virtual Simulator & Fencing	\$ 268,000	9/30/2025
	Final Report for this grant in process. The City was able to purchase and install security fencing around the City Subdivision Water Treatment Plant and purchase one VR shooting simulator for use		
5	Designated Legislative Grant > Dust Control	\$ 1,200,000	6/30/2029
	City of Bethel purchased one hydroseeder and hydroseed supplies. They were delivered.		
6	State and Local Cybersecurity Grant Program (SLCGP)	\$ 75,000	12/31/2025
	The City of Bethel plans to hire a consultant to conduct a cybersecurity review of the City's IT network, equipment, software, and physical layout. The City plans to use recommendations in the plan as grant requests in a succeeding year.		
7	VSW Capital Improvement Project Grant	\$ 13,860,000	
	DOWL completed the Design Analysis Report, the document done prior to the 35% design. The City was awarded \$4,060,392 in additional funds to cover upcoming year expenses.		
8	Last Frontier Housing Initiative	\$ 5,000,000	12/31/2026
	The low-income housing project and City professional housing project are proceeding rapidly. Ted Stinson with UrbanKNKT, LLC is substantially done with his project. Kuqo Construction is finishing up the professional housing units they are constructing in City Center.		
9	State Homeland Security Program Grant - SFY 25	\$ 9,000	9/30/2026
	This grant will cover the cost of paying a trainer to come to Bethel to teach ICS-300, an Incident Command System course for first responders and municipal administrators who may play a role in a major emergency situation.		
10	Safe Streets 4 All Grant	\$ 52,800	11/8/2026
	The City of Bethel signed the grant agreement. City met with DOWL transportation planners to lay out a plan for development of safety action plan.		

11	Justice Assistance Grant (JAG)	\$ 11,116	3/31/2026
The City asked for an extension on this grant in order to complete the project with funds from a federal earmark for the same purpose. Senator Murkowski's office announced that the City's request for \$70,000 was approved for this camera/card reader purchase. No JAG funds have been spent to date.			
12	Energy Efficiency and Conservation Block Grant (EEBG)	\$ 75,220	9/30/2026
Solar panel installation on YK Fitness Center. Project likely to begin once UIC begins construction of Bethel Community Center (gymnasium). Parks and Rec. Director assumed role of Project Manager for this grant.			
13	Rasmuson Foundation Grant	\$ 250,000	1/31/2026
This grant will cover part of the cost of constructing a new animal shelter in Bethel, once construction initiated.			
14	Community Transit Operating Grant	\$ 184,131	6/30/2025
Transit Manager Evon Fox manages the daily operation of the transit system, handles all purchases, and completes monthly billing summaries and quarterly reports. FY 26 grant began July 1, 2025 and will run until June 30, 2026.			
15	QFC#2 Lift Station Improvements - SRF Loan /100% forgiven	\$ 975,000	TBD
Required environmental review form and SHPO letter.			
16	Bethel Heights Water Treatment Plant Automation - SRF Loan	\$ 1,418,000	TBD
100% forgiven. Required environmental review form and SHPO letter.			
17	City Subdivision Water Treatment Plant Automation - SRF Loan	\$ 1,369,000	TBD
100% forgiven. Required environmental review form and SHPO letter.			
18	Purchase of One Sewer Haul Truck - SRF loan /100% forgiven	\$ 315,009	TBD
Loan agreement signed. Truck being ordered.			

Total \$ 34,804,587

2. Reduce potential liability for the City by simplifying and generalizing certain practices, eliminating burdensome policy requirements, and preventing outdated policies from remaining in effect.
3. Identify policies that are required by specific grants or programs (federal transit and CDL driver requirements) and those that express the City's official public position (Release of Information, Social Media presence, and City Vehicle Usage).
4. Support a shift toward documenting day-to-day operations and practices through procedures, which offer greater flexibility and do not require City Manager or Council approval.

The 2025 version has incorporated all the changes in personnel law since 2015. HR is also looking at creating a live, online version that will allow for more timely updates and notifications.

Workplace Safety, Injuries and OSHA Notifications

No new workplace injuries were reported during the month of October.

Ongoing and Future Projects

- Updating classification and compensation data.
- Job Description review and updates.
- Updating the Employee Handbook, last adopted by City Council in 2015.

City of Bethel

October 31, 2025

FROM: Planning Director
TO: Lori Strickler, City Manager
SUBJ: Planning Director’s October 2025 Report

October 2025 Events

- Planning Commission:** The Commissioners conducted a public hearing for a CUP application submitted by Kuqo Construction. One individual appeared on People to be Heard and offered positive comments. After presentations by Mario Kuqo and myself, the Commissioners felt they needed more information concerning that portion of the CUP application that addressed access and egress to the property before a determination was made. In a follow-on meeting between the City Manager and the Planning Commission Chair, the City’s position on not allowing a permanent easement for allowing access to the property was explained in depth. The Chair then notified Mario Kuqo that access from Akakeek was a non-starter and recommended he contact Planning to discuss a plan going forward. Subsequently, the CUP application was withdrawn on October 27, 2025. ***No discussion on nuisance properties was conducted.***
- YK Fitness Center Gym Expansion:** The project is in a “pause” mode for a month or so. Materials and equipment have been/are being staged onsite. STG is preparing for the pole drilling sometime in December 2025/ January 2026.
- Database Tracking Table:**

Residential Site Plan Permits	Received this Month	Total Received for Year	Total Approved for Year
	1	40	40
Commercial Site Plan Permits	0	11	11
Conditional Use Permits	1 (Withdrawn)	3	2
Variances	0	0	0
Zoning Amendments	0	1	1
Plats	0	3	3

Summary Statement: The nuisance property spreadsheet continues to be updated with information from community residents and Planning personnel.

- **Abandoned and/or Junk Vehicles:** Tagging vehicles for towing by the Planning Department is temporarily in abeyance while a new system for processing is determined by the Acting Public Safety Director.
- **Vacancies:** Fully staffed.
- **Other Events:** City personnel have been actively involved in supporting the needs of evacuees from the villages destroyed by Typhoon Halong. Concurrently, the City is conducting an assessment of any damage to our facilities in Bethel.
- **Large Projects:**
 1. **Ptarmigan Street Encroachments:** The Middlebrook encroachment at 412 Ptarmigan has been resolved by all parties and the building causing the encroachment will be moved asap.
 2. **Ptarmigan Street Culvert Replacement:** Project slated for completion in 2026.
 3. **City of Bethel Professional Housing Project:** No updates.
 4. **Hazard Mitigation Plan:** Gave a brief presentation of the City's Hazard Mitigation Plan and the progress of the update project to the Regional Resource Coordination Committee. At their request, I had them added to the stakeholder list.
 5. **Map Highlighting All City-Owned Properties:** Collection of data pertinent to this project continues.
 6. **Nuisance Abatement:** Properties at 1119 Naun Raq, 455 Ridgecrest Drive, and 410 Owl Street have been identified for submission to the Planning Commission recommending they be sent to the City Manager for consideration as properties for a future Abatement Hearing.
 7. **Blue Sky Replat:** Planning reviewed the initial submission and noted some information had not been included. Accordingly, we reached out to Mike Horne and asked him to include the missing data.

PORT OF BETHEL

Post Office Box 1388
Bethel, Alaska 99559
Voice: 907-543-2310
Fax: 907-543-2311

To: Lori Strickler, City Manager
From: Edward Flores, Port Director
Subject: October 2025 Managers Report

- **Small Boat Harbor**

October is the last operational month for the Small Boat Harbor. That being said we did see a decrease in permit sales. We successfully shut down the harbor with a very limited workforce. We will be modifying the steel floats this winter to connect with our new floats that we had purchased this last summer. We are currently selling long term parking permits for the winter time. We just started on the winter permits on the first of the month. We currently have roughly 20 vehicles in the harbor as of the first. We are looking to either shrink that number or get them signed up for long term parking. We will continue to tag and monitor the vehicles currently in the harbor.

- **City Dock/Beach 1/Petro Port**

City Dock and Beach 1 were busy last month. As it is the last operational month of the calendar year. We welcomed 13 mainline boat & barge sets. We currently have approximately three additional companies that will be storing freight with us over the winter. This is a little more than we usually have, but I think we will still have adequate room for the springtime. We currently have nine boats and two barges on the beach that will be here all winter. The Petro Port as well has been busy delivering the rest of the petro before freeze up. Between the three petroleum companies here, they brought in just over four million gallons last month.

- **Port Office**

The port office is running well. We have no issues with building. Building Maintenance continues to do their morning checks on the building, with no problems.

- **Admin / misc.**

All boat movements will be calculated and billed out this first week of November. We will be working on southbound freight over the next couple of weeks. Southbound freight is freight that originated in Bethel and is destined for either Anchorage or further destinations. The Port Commission did not meet in October. Our next meeting is scheduled to take place at 7:00 p.m. on November 17, 2025. At City Council Chambers. We are revamping our Facebook page to better disseminate information to the public. We are sending a letter to the USACE asking for a feasibility study to dredge the river channel in front of Bethel. That letter is attached to this report.

Description	Issued Prior Month	Total this Calendar Year
Number of Small Boat Harbor Permits Issued	0	340
Number of vehicle long-term parking permits issued.	0	8
Number of mainline vessels arriving/departing	7	48
Number of river vessels arriving/departing	13	109
Total cargo tonnage received	2,445.18 T	12,031.15 T

FAX: 907.543.2311

November 3, 2025

Col. Jeff Palazzini
Alaska District, U.S. Army Corps of Engineers
ATTN: CEPOA-PM-C
P.O. Box 6898
Joint Base Elmendorf-Richardson, AK 99506-0898

Dear Sir:

This letter is to request the assistance of the U.S. Army Corps of Engineers under Section 107 of the 1960 River and Harbor Act, as amended, in the construction of a small navigation project at the Kuskokwim River in Bethel, Alaska.

Bethel, AK, sits on an oxbow off the main Kuskokwim River. This oxbow is filling in with sediment and choking off the navigable channel for barge traffic. For the last 15 years, freight barges coming to Bethel must back out of the oxbow the same way that they enter. The filling in of this part of the river has blocked off the upstream exit back to the main channel. And in the last five years, freight companies have not traversed the downriver side of the river if a petroleum barge is docked at the petroleum port. This hinders the company's ability to safely reach the Bethel City Dock to deliver freight, hauling supplies, & Heavy Equipment, not just for the residents of Bethel but also for the Delta.

It is understood that, if the study indicates a project with a federal interest is likely, the City of Bethel would be required to enter into a contract to pay half the cost of the feasibility study after the first \$100,000. Furthermore, if it is deemed feasible to develop a navigation project in Bethel, AK, the City of Bethel would agree to provide the local cooperation and cost-sharing as prescribed by the Secretary of the Army.

Thank you for considering this request.
Please contact if needed for further information.

Edward Flores

Assignments:

Acting Chief Kirkham accepted the offer to become Director of Public Safety (Police Chief/Fire Chief)

Sergeant Promotions: William Charles, David James, Robert Saulters

Community Outreach:

On-going meetings with ONC concerning forming a coalition of resource organizations to work towards campaigns dealing with:

1. Suicide prevention
2. Sexual Assault
3. Domestic Violence
4. Alcohol/Drug Use

Obtained assistance from VFW for the Bethel Police Shop with a COP program and Patrol Santa program.

Working with AST and YKHC to host “Coffee with a COP” mid-November.

Chief Kirkham attended Calricaraq Indigenous Health and Wellness Training. The training was well received, and Chief Kirkham was the 1st Chief to attend the training. He has committed to working with the trainers to bring the program to all Bethel police and fire employees.

Chief Kirkham met with Jen Winkelman the Alaska Commissioner of Corrections.

Chief Kirkham attended the VFW Auxiliary dinner thanking the local National Guard Personnel for their efforts after the disaster affecting regional villages.

Attended school for Anti-bullying lesson with kindergarten students.

FIRE

October Calls

Total calls: 220

Fire Calls: 28

EMS Calls: 192

Most fire calls were lockouts both car and house and false alarms made up most fire calls. Typhoon Halong added a significant jump in fire calls from structural collapses, to downed power lines. There were more malicious calls/intentional false reports recently as well.

Notable Fire Calls

On 10/12/2025 at 15:30 Crews responded to a report of a house that had fallen off its foundation. Crew found the house to be shifted off the stilts it was on and there were no injuries reported. Crew then disconnected power to the residence and evacuated the occupants after retrieving necessary supplies. Crew then cleared the scene with no injuries reported.

Notable EMS Call

On 10/10/2025 T1 and M5 responded to a report of a vehicle crash on state Hwy near the airport. M5 observed the driver pulseless and apneic in the driver seat, no other injuries to other occupants were reported. CPR was initiated and transport was delayed due to the ambulance being stuck in mud and 4wd non-operational. CPR and ALS cardiac arrest management were initiated throughout transport and enroute to YKHC ER. The pt was pronounced deceased after arrival to YKHC ER.

On 10/26/2025 at 09:10 AM M6 responded to a report of a 2-month-old not breathing, upon arrival BPD officers had initiated CPR and handed care over to EMS, BFD performed CPR and ventilations with o2 therapy with immediate transport to YKHC ER. The patient was reported deceased after YKHC ER tried lifesaving measures shortly after. BPD and BFD were debriefed and provided mental health guidance after the call, Chaplain Claypool was available as well for resources regarding mental health.

Most other calls were alcohol related.

Sobering Center calls: 6

Winterhouse Calls: 14

Staffing

Career Staffing. 10 out of 11 positions filled all shifts now have 3 per shift (1 Lt 2 FF/EMT Plus captain on day shift) Admin assistant position still vacant.

Volunteering staffing. volunteers 39

EMT 2 class is the next upcoming class scheduled for November 17.

Halloween Haunted house was successful the community seemed to thoroughly enjoy the festivities.

Road Maintenance: Business as usual Bladed and built until not blade able or buildable.

Vehicles and Equipment: As usual Maintaining and repairing All city vehicles and equipment as needed.

Transit System:

October was a very busy month with the added support to the disaster evacuees when they landed are in Bethel. As for the ridership 1,169 Elders, 12 Youth, 135 Adults, 146 Disabled, and 1,493 Pass riders. So far 64 Evacuees requested for Transit passes of which 8 are Youth. 101 Day and 19 Month passes were purchased. \$1,414.00 bus fare total.

TS 1 logged 2,962 miles and used 354.107 gallons of fuel. TS 2 logged 137 miles and used 36.382 gallons.

Thank you.

Landfill & Hauled Refuse: The Landfill has been busy getting ready for winter. Hauled Refuse brought 76 loads of trash from the dumpsters. Landfill received 19 loads of trash from other city trucks, 286 loads of trash from private citizens, 2577 cubic yards of trash from commercial accounts. Landfill received 10 refrigeration units that needed the freon drained before we could dispose of them and 4 vehicles to drain oil and remove the battery before we could dispose of them. The last summer temporaries was let go as of the last day of October. Landfill is still seeking one more person with a Commercial Driver's License.

Community Parks & Recreation Report – October 2025

By: Dept. Director, Shane Iverson

YKFC Transition

- Completed transition training with HealthFitness.
- Certified 5 new Red Cross Water Safety Instructors capable of teaching swimming lessons;
 - Parent and Child, Levels 1-3
 - Pre- School, Levels 1-3,
 - Learn to Swim, Levels 1-6
 - Adult Swim, Levels 1-3

Programming & Services

- Provided services & assistance for Typhoon Halong evacuees with State of Alaska Disaster Assistance, Red Cross, and CORE. YK Lifesavers provided transportation and amenities.
- Swim & fitness lessons extended until holiday break for BYF and McCann Center.
- Open rec-swim during the 2-day, unexpected Bethel school closures.
- Kids Don't Float special events Oct 28-29 with State of Alaska DNR.

Dog Park

- City Administration reviewing Riverside Park designations, preparing Conditional Use Permit.

Facilities

- Spa pump arrived. Awaiting installation plus one day of cleaning, then we'll open it.
- Lifeguard shortage has improved. Rec-swim is available all 6 days per week. Still seeking additional lifeguards for additional resiliency.
- Parking lot lights fixed. Fire alarm system improved (needless warning was fixed)
- Completed Alaska Land and Water Conservation Grant Program post project inspections for 3 historical projects at Pinky's Park.

October Specials

- PFD Annual Membership Sale
- Challenges: Fitness Bingo, Squat-Tober, Scarecrow scavenger Hunt

Upcoming

- Nov. 11: Begin multiple Red Cross swim courses for pre-school, school age and adults (Saturday and Tuesday)
- Initiate daytime programming for K-3 kids, and strength training for individuals.
- Membership card experiment to further increase efficiency
- BLS, Basic Life Support, (CPR, AED, Airway) training for non-lifeguard staff.

- END REPORT-

City of Bethel, Alaska

City Clerk's Office

Upcoming Meetings

November 12, 2025 (Wednesday) Regular City Council Meeting 6:30 pm
December 16, (3rd Tuesday) Regular City Council Meeting 6:30 pm

Note: Due to the holiday season, there is only one Regular City Council meeting scheduled in November and December.

City Clerk's Office

- Arranging Council travel to Anchorage for the Alaska Municipal League Annual Conference and Newly Elected Official training.
- City Clerk will be on PTO from November 14-22, 2025
- City Offices will be closed on November 27-28th for Thanksgiving.
- City Clerk will be attending the Alaska Association of Municipal Clerks Conference in Anchorage from December 7-9, 2025. The Clerk will be taking part in an Election Presentation.
- Reviewed Scripts for the production of Video PSA's. Production will begin the week of November 10th.
- On October 27, 2025, the Clerk's Office received notice of a retail marijuana store license renewal application for Kusko Kush, located at 781 3rd Avenue Bethel, AK 99559. In accordance with BMC 5.10, the application documents along with the City Manager's review statement will be provided to the City Council at the November 12, 2025 Regular City Council Meeting. If a council member wishes to protest the renewal, my office must provide the applicant with notice of opportunity to defend, at least seven days before the council's consideration of the protest. The City Council will have until December 25, 2025, to submit a protest of the license.
