Hello Port Commissioners,

Firstly, I'd like to quickly introduce myself, as I have only joined the City within the last few months and haven't had the opportunity to meet most of you. My name is Bridget, I am originally from Arizona, but I've been in Bethel for the last 2 years and working with Ed at the Port since June of this year. So far, it has been a great experience, and I look forward to getting the chance to meet and know each of you.

I am reaching out to remind you that our next Port Commission meeting is to be held **Monday, September 15, 2025, at 7:00PM, at City Hall**. I have attached the final Agenda Packets to this email. You can also view the packet and materials [here](#). Please advise before Friday, September 12, 2025 if you would like a packet printed for yourself.

We look forward to seeing our Port Commissioners this coming Monday, at City Hall in the Council's Chambers! If you are unable to attend this meeting, please email me an explanation of the reason for the absence so that I may share that with the chair and membership. Meeting attendance requirements are available at BMC 2.60.030: <https://bethel.municipal.codes/BMC/2.60.030> .

Thank you, have a great rest of your week!

Victoria Sosa Port resignation 1-28-2026.pdf;

Hello Ed and Bridget,
Victoria Sosa has resigned from the Port Commission.

You can add "Declaring a seat vacant per BMC 2.60.030F" to the next Port Agenda.

P.6 in the Ex-Officio Guide talks about it, but to expand on the steps, Process-wise:

Declaring a seat vacant per BMC 2.60.030F, will go on the agenda as an agenda item.

Notify the person that their seat will be declared vacant at the next meeting, and they have an opportunity to address the body if they wish. Send them the meeting info (Agenda and link to packet when available.)

At the meeting, they have an opportunity to address the body.

The body will make a motion to declare the seat vacant, it gets seconded and voted on.

If the body decides to declare the seat vacant, let me know, and I'll update my info.

If you have any questions, let me know.

Thank you,

Kevin Morgan, CMC

MEMORANDUM

DATE: January 5, 2026

TO: Lori Strickler, Acting City Manager

FROM: John Sargent, Grant Manager

SUBJECT: Grant Manager's Report for January 13, 2026 Bethel City Council Meeting

Grant Awards

State Revolving Fund Loans

The City of Bethel submitted questionnaires to the State Revolving Fund Loan program by October 31, 2025. The City was awarded the following forgiveness amounts:

Project	Loan Request	Amount to be forgiven
Bethel Heights Water Treatment Plant Preliminary Engineering Report	\$100,000	\$75,000
Hauled Utilities Operation Center Building	\$30,096,000	\$612,491

Sewer Haul Truck

The City of Bethel and State of Alaska signed the State Revolving Fund Loan agreement for the City to borrow \$315,009 to cover the cost of purchasing one sewer haul truck. The loan is 100% forgivable. The city ordered the truck from a Sourcewell contract. The purchase price and shipping is expected to be less than the loan amount.

Grant Applications Submitted

Alaska Community Transit Operations Grant FY 2027

The Alaska Community Transit Operations Grant for FY 2027 was prepared and submitted. The City requested \$284,109 in grant funds and pledged a match of \$98,527. The City requested funding for a snowblower so the transit manager can keep snow free of the garage doors and driveway.

Grant Applications in Preparation

Public Assistance

I have weekly meetings with FEMA employees to discuss funding requests by the city related to the Typhoon Halong disaster. I am working with all department heads to see the nature and amounts of expenditures that city incurred to help evacuees and recover intracity costs.

EPA Grant for Removal of Derelict Vessels

The City is working on a Memorandum of Understanding with Joe Dale for the use of his property on the Kuskokwim River that would be conducive to cutting up one or more of the barges removed from Steamboat Slough and shipping the pieces downriver by barge. The City is close to being approved by EPA to start spending some of the funding prior to full approval once EPA approves the City's environmental review.

Transportation Alternatives Program

This grant is now open year-round for submissions. I will prepare an application for the trail project selected by the City Manager.

State of Alaska Capital Requests

Per the Bethel City Council Resolution Requesting Capital Grant Allocations from the State of Alaska, I am completing the following requests in the State CAPSIS database:

1. Expansion of Bethel Community Center > \$3,000,000
2. Construction of Animal Control Center > \$300,000
3. Design of Water Distribution Center > \$1,191,574
4. Planning, Permitting, Design of Cargo Port East Wall > \$3,000,000
5. Port of Bethel Security Cameras and Lighting > \$360,000

Grant Administration

Safety Action Plan

DOWL drafted a Task Order describing the scope of work necessary to produce a safety action plan. The city is discussing the scope of work and expects to sign the task order soon. The completed safety plan will allow the City to use the plan as a basis for requesting additional capital grant funds. Examples of likely recommendations are brighter streetlights, additional streetlights, and improved pedestrian pathways.

SUBJECT: Monthly Manager Report

The following addresses significant projects that were in addition to general personnel action-based activities during the week (hiring, terminations, benefits review, employee support, etc):

Recruitment and Hiring

The City has filled the new Support Services Manager position (internal hire) and the Outreach and Communications Specialist position (external hire). Interviews will be taking place in early January for the two public safety deputy positions.

Twenty-nine applications for employment were received during the month of December. Six new hires were onboarded during the month and four employees were offboarded.

The process for temporary hauled utility drivers appears successful and HR is looking at ways to streamline the rehire process going forward.

Policy Review and Annual Training

Annual training was scheduled to be completed by the end of December. Roll-out was a challenge with the holiday schedule and internet connection issues. HR will be working with Department Heads to establish a better way of completing annual training and policy acknowledgements for 2026.

Workplace Safety, Injuries and OSHA Notifications

Three workplace injuries were reported during the month. None required immediate OSHA notification.

Ongoing and Future Projects

- Classification and Compensation project
- Review of current CBA and preparation for 2026 negotiations

- **Small Boat Harbor**

With the Small Boat Harbor being closed. There has been little to no activity in the harbor, with the exception of our steel floats being moved in and out for fabrication so that they can accommodate the new floats. We worked with the streets & roads department for this task, without their help this would not have been possible in the timeline it was completed. Napaimute enterprises will be using part of the south parking lot to better services the ice road.

- **City Dock/Beach 1/Petro Port**

City Dock and Beach 1 have been quiet as of late. We have one full-time crew on the dock performing repairs on their boat. We keep the dock clear of snow, usually usually 2-3 times weekly, or more frequently as needed due to weather. Driving paths are maintained between the boats. We do have a bit of freight that we believe will be leaving the City Dock sometime this month, if not February.

- **Port Office**

The port office is running well. We have no issues with building. Building Maintenance continues to do morning checks on the building, with no problems. The Port Commission did not meet last month due to a lack of a quorum. Our next meeting is scheduled for December 15, 2025, at 7 p.m. This month we will be discussing charge rates for the Port, as well as going over our calendar for the 2026 year. We encourage the public to attend if they would like to know more about the Port.

- **Admin / misc.**

Storage should be completed by the second week of the month, and billed after all calculations are complete. This last month our electrical mast on the warehouse pulled away from the building and snapped in half, this happened over the weekend. AVEC was notified, they came and cut the power to the warehouse until the mast was fixed. Premier Electric was called and during their last visit, they were able to replace part of the mast and reconnect it to the warehouse. AVEC was informed and we are currently waiting on the warehouse to be reconnected to power. We also have been working on putting the white conex on its own power. It is currently waiting for AVEC as well.

USACE has reached out to me about the letter we sent, We had a meeting before the end of December where I laid out our problem to them, and we looked it over on satellite images so that they get a better picture of what we are discussing. They expressed that this project looks to be a good project at the moment. The next step is to start a study to see what the possible extent of the project could look like. This was the first interaction for this project. We are expecting it to be lengthy.

Community Outreach:

Police, Fire and AST representatives along with Chief Kirkham participated in Coffee with a cop and Shop with a Cop at AC Market on December 20th. The event was a big success with over 40 families attending the Shopping event bringing toys to children in the community.

Police also visited YKHC on December 23, 24 and 25th bringing gifts to children that had to stay in the hospital.

Toys were brought to TWC for the children that were staying in the facility over Christmas.

Chief Kirkham made announcement of special events with KYUK radio to remind residents of the Christmas projects the department was hosting.

Alaska Police Standards Council established 5 regional training centers for law enforcement. Chief Kirkham worked to secure Bethel as region 5 training center for Rural Communities of Western Alaska. A 4-day conference is planned for early June and will include 2 days of local cultural training.

Regional Training Hubs

The Alaska Police Standards Council has been working diligently to establish regional training hubs that increase access to quality training across the state. Six departments have stepped forward to support this initiative, helping ensure that officers in their surrounding areas can obtain training without the significant burden of long-distance travel. The long-term goal for each region is to develop at least one Methods of Instruction (MOI) instructor and one Field Training Officer (FTO) instructor, creating a sustainable foundation for ongoing professional development. These hubs will also provide a platform for any additional trainings that become available, expanding opportunities statewide. Each of the following departments has committed to hosting and facilitating training for both their agency and the agencies within their region:

Region 1 – Central

Wasilla Police Department – Chief Bill Rapson
in partnership with the Department of Corrections

Region 2 – Southeast

Juneau Police Department – Chief Derek Bos

Region 3 – North

Fairbanks Police Department – Chief Ron Dupee

Region 4 – South

Soldotna Police Department – Chief Stace Escott

Region 5 – Rural Communities

Bethel Police Department – Chief Jeffrey Kirkham

A sincere thank you to these departments and their leadership. Their willingness to support statewide training efforts is helping build a strong foundation for more accessible, consistent, and high-quality training for Alaska's law enforcement professionals.
