CITY OF BETHEL

City Manager's Report February 4-18, 2026

Budget/Audit/Finance General Operations

Operating Budget Preparation - Staff across all departments are actively working on development of the FY27 budget. Departments have prepared baseline operating budgets for Finance Director review. Departments were also asked to submit operational and capital enhancement requests. Once the baseline budgets are confirmed, the department head team will meet to identify organizational priorities.

Capital Budget - Deputy Director of Finance, City Manager, and Public Works Director are performing an evaluation of the capital project list to evaluate what projects are complete, what funds should go back to the undesignated fund balance, and what we should be planning for the updated capital budget. As mentioned above, we will be bringing the list of operating and capital enhancements to the City Council in April.

Audit Completion-The FY25 audit is expected to be completed within the next few weeks.

Business Registration- While we face a vacancy in the position of the Accounting Specialist position with the primary responsibility for business registration, the team with support for Legal continue to focus on a few operators with significant compliance issues.

The Finance Director will be working with the team to evaluate current processes and laws to help ensure they are effective.

State Revolving Loan Fund -Staff met with the Department of Environmental Conservation (DEC) to review State Revolving Loan Fund and forgiveness projects. The group discussed current and potential future projects.

Emergency Response and Community Support-The City participated in a Mass Care Response meeting hosted by the State of Alaska as part of ongoing recovery and planning following Typhoon Halong. A follow-up meeting with core regional agencies is scheduled for next week.

The Host Household utility reimbursement for January totaled \$8,854.43.

Partnerships-

The Police Department and Administration provided a letter of support to the Tundra Women's Coalition for a grant application.

City administration participated in a special Yuut Board meeting.

Infrastructure

YK Fitness Center-Approximately one month ago, a fire sprinkler incident occurred at the YK Fitness Center when an exterior valve released water pressure during freezing conditions. Johnson Controls repaired the sprinkler system this week. To prevent a similar incident in the future, Public Works installed a small utility access door high on the wall near the affected area. The door will be left open during extreme cold periods to prevent freezing.

A boiler went out at the YK Fitness Center resulting in cooler air and pool temperatures for about four days.

Piped Services Thawing Lines - Staff have developed a request for funding for hot-box jettors to improve thawing operations for the piped water and sewer system.

In January alone, approximately 1,500,000 gallons of water were used to thaw sewer lines, resulting in approximately \$60,000 in water costs. Operating two jettors is expected to use significantly less water than the current fire hose method and should result in substantial annual cost savings and improved operational efficiency.

Piped Services Study -In April, a team from the University of Texas will return to Bethel to install leveling notification devices on sections of the piped water and sewer utility, beginning with the Bethel Heights system. Currently, staff must manually inspect line pitch twice per year to maintain proper gravity flow.

The new technology is intended to provide alarm notifications and allow remote monitoring of line movement, enabling staff to identify and address issues more efficiently.

Utility Building Leveling – the emergency leveling of the piped utility building is underway.

Ptarmigan Culverts Easements-The City completed its own valuation of permanent and construction easements required for installation of culverts on the west side of Ptarmigan. This work was completed because the Bureau of Indian Affairs was unable to complete the appraisal as originally scheduled. Staff will coordinate with BIA and affected property owners within the next two weeks to present offers for easement purchase and temporary construction easements.

Sand Shed Improvements- Staff identified operational challenges accessing frozen sand used for winter road maintenance. When sand freezes, sanding operations are limited and road conditions deteriorate. Staff are obtaining quotes to insulate and install heating units in the Port sand shed so the facility can be used to store thawed sand for winter operations. This improvement will be considered as a FY27 budget enhancement.

Port Operations-The Port Department is reviewing the U.S. Army Corps of Engineers shoreline protection project inspection conducted following Typhoon Halong. The Port Director will provide a summary of findings and a corrective action plan next week.

From: City Manager
Subject: Emergency Procurement – Water Treatment Plant Operational Support

In accordance with the City's procurement code, BMC 4.20.180, this report serves as written notice of an emergency contract awarded without competition, formal advertising, or other formal procedures. The award was necessary due to an emergency threatening the public health, safety, and welfare of the community.

On March 4, 2026, following an event at the City's water treatment plants, it became necessary to immediately secure qualified and reliable water treatment plant operators to ensure continuous and compliant operation of the City's drinking water systems.

Due to unforeseen personnel transitions and limited available certified operators, the City determined that immediate outside operational support was required. Failure to secure qualified operators would have placed the City at risk of disruption to potable water service and regulatory non-compliance, creating a potential threat to public health and safety. This situation constitutes an emergency under the procurement code, specifically equipment or operational failure not predictably frequent or preventable by adequate maintenance or operation, and the imminent threat of a shortage of safe drinking water.

Accordingly, I authorized an emergency procurement and initiated a contract with Northern Utility Services to provide certified water treatment plant operators and technical support. Contractor personnel are scheduled to arrive in Bethel on March 4, 2026 and will remain on-site through at least Sunday, March 8, 2026. Personnel from this contractor may be required to travel to Bethel periodically over the next several months to provide continued operational support.

Over the past several months, the City has attempted to identify qualified operators or firms capable of providing operational support for the City. Northern Utility Services is the only provider identified that is able to deliver the necessary certified personnel on short notice and meet the City's operational requirements.

Respectfully,

Master Services Agreement

Client: City of Bethel C/O Lori Strickler
Address: 300 Chief Eddy Hoffman Hwy
Bethel, AK 99559

Scope of Services:

CLIENT hereby authorizes Northern Utility Services (NUS) to perform engineering, procurement, consulting and specialized construction and construction support services as authorized from time to time by written Task Orders issued by CLIENT and accepted by NUS, as evidenced by CLIENT's and NUS's Signatures thereon ("Services"). The model Task Order form is attached to this Agreement.

Compensation:

NUS will be compensated for Services as set forth in the Task Order. Unless a Task Order specifies otherwise, NUS will be compensated on a Time and Expense basis in accordance with the provisions of Appendix A which is an integral part of this Agreement.

The Parties agree to the "Provisions" provided on page 2 of this Master Services Agreement ("Agreement").

Accepted for Client:

Name: David Kranich
Title: Principal
Date: 3/3/2026

PROVISIONS

1. **TASK ORDERS.** CLIENT shall engage NUS to perform engineering and other related professional services pursuant to this Agreement by issuing a Task Order to NUS. Each Task Order shall clearly state that it is issued pursuant to this Agreement and shall identify the scope of services to be performed by NUS, the schedule for performance of the Services, the method of pricing and/or compensation for Services (if different from the method provided for herein), and other matters as may be pertinent to the individual authorization. The terms of this Agreement shall supersede any standard or preprinted terms that may be attached to or referenced in any Task Order.

2. **WARRANTY.** NUS warrants that it shall be responsible, to the level of competency presently maintained by other practicing professionals in the same type of work in CLIENT's community, for the professional and technical soundness, accuracy, and adequacy of all design, drawings, specifications, and other work and materials furnished under this Agreement. If within twelve (12) months after completion of the Services, CLIENT can demonstrate that the Services fail to conform to such warranty, NUS will reperform the deficient Services at no cost to the CLIENT, and NUS shall have no liability for repair or replacement, construction rework or other costs whether asserted under warranty, contract, tort or otherwise. NUS makes no other warranty, expressed or implied.

3. **ADDITIONAL SERVICES.** (a) Services in addition to those specified in the Task Order, will be provided by NUS if authorized in writing or otherwise confirmed by CLIENT. Additional services will be paid for by CLIENT as indicated in an Additional Services Authorization or such other document as deemed appropriate by CLIENT and NUS. In the absence of an express agreement to the contrary, NUS shall be entitled to an equitable adjustment in compensation and schedule for performing such additional services. (b) Unless the Additional Services Authorization specifies otherwise, the Additional Services will be priced under the terms of Appendix A.

4. **SALES TAX.** In addition to any other sums or amounts to be paid by CLIENT to NUS pursuant to this Agreement, CLIENT must also pay to NUS any applicable sales, use, excise or other tax (other than any general income tax payable by NUS) as the same may be levied, imposed or assessed by any federal, state, county or municipal government entity or agency.

5. **LIMITATION OF LIABILITY:** Excluding NUS' liability for bodily injury or property damage of third parties, the total aggregate liability of NUS arising out of the performance or breach of this Agreement or any respective Task Order shall not exceed the compensation paid to NUS under the Task Order out of which the liability arose. Notwithstanding any other provision of this Agreement or any Task Order, NUS shall have no liability to the CLIENT for contingent, consequential, or other indirect damages including, without limitation, damages for loss of use, revenue or profit; operating costs and facility downtime, however the same may be caused. The limitations and exclusions of liability set forth herein shall apply regardless of the fault, breach of contract, tort (including negligence), strict liability or otherwise of NUS, its employees, or subconsultants.

6. **DISPUTES.** (a) All disputes arising out of this Agreement shall be mediated by the parties within a reasonable time after the first request for mediation, prior to either party filing a suit in a court of law, provided, however, that neither party shall be obligated to mediate prior to requesting injunctive relief. (b) In the event legal action is brought by NUS to enforce any of the obligations hereunder or arising out of any dispute concerning this Agreement, CLIENT shall pay NUS reasonable amounts for fees, costs and expenses as may be set by the court (c) This Agreement is governed by the laws of the state in which the Services are performed, without regard to its choice of law provisions.

7. **ASSIGNMENT TO RELATED ENTITY.** Notwithstanding anything to the contrary herein, in the event NUS is not qualified and licensed in the relevant jurisdiction to provide any Services required, NUS may, without the consent of any other party, assign all or any part of its obligation to provide such Services to an entity related to NUS which is qualified and licensed to provide such Services in the jurisdiction involved, or NUS may request CLIENT to issue a Task Order in the name of such a related entity.

8. **PAYMENT TO NUS.** (a) NUS will issue monthly invoices for all Services. Invoices are due and payable net 15 days. CLIENT agrees to pay interest at the rate of 1½% per month on all past-due amounts, unless not permitted by law. Any interest charged or collected in excess of the highest legal rate will be applied to the principal amount owing to NUS, and if such interest exceeds the principal balance of CLIENT's indebtedness to NUS, will be returned to CLIENT, (b) CLIENT's failure to pay within the time required herein shall constitute a payment default. Without limiting any other available remedy, NUS may stop work or terminate this Agreement or any Task Order if CLIENT has not cured a payment default within 7 days after receipt of written notice from NUS. NUS' right to stop work or terminate this Agreement shall not be waived by NUS' continued performance. NUS shall have no liability for any delays resulting from or damages caused by such work stoppage or termination.

9. CONSTRUCTION PHASE SERVICES. (a) If NUS is called upon to observe the work of CLIENT's construction contractor(s) for the detection of defects or deficiencies in such work, NUS will not bear any responsibility or liability for such defects or deficiencies or for the failure to so detect. NUS shall not make inspections or reviews of the safety programs or procedures of the construction contractor(s), and shall not review their work for the purpose of ensuring their compliance with safety standards. (b) If NUS is called upon to review submittals from construction contractors, NUS shall review and approve or take other appropriate action upon construction contractor(s)' submittals such as shop drawings, product data and samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the contract documents. NUS' action shall be taken with such reasonable promptness as to cause no delay in the work while allowing sufficient time in NUS' professional judgment to permit adequate review. Review of such submittals will not be conducted for the purpose of determining the accuracy and completeness of other details such as dimensions and quantities. (c) NUS shall not assume any responsibility or liability for performance of the construction services, or for the safety of persons and property during construction, or for compliance with federal, state and local statutes, rules, regulations and codes applicable to the conduct of the construction services. NUS shall have no influence over the construction means, methods, techniques, sequences, or procedures. Construction safety shall remain the sole responsibility of the construction contractor(s). (d) All contracts between CLIENT and its construction contractor(s) shall contain broad form indemnity and insurance clauses in favor of CLIENT and NUS, in a form satisfactory to NUS.

10. COST ESTIMATES. Any cost estimates provided by NUS will be on a basis of experience and judgment. Since NUS has no control over market conditions or bidding procedures, NUS does not warrant that bids or ultimate construction costs will not vary from these cost estimates.

11. SEVERABILITY. If one or more of the provisions contained in this Agreement shall be held illegal, the enforceability of the remaining provisions shall not be impaired.

12. FORCE MAJEURE. Any delays in or failure of performance by NUS shall not constitute breach hereunder if and to the extent such delays or failures of performance are caused by occurrences beyond the reasonable control of NUS ("force majeure"). In the event that any event of force majeure, as herein defined occurs, NUS shall be entitled to a reasonable extension of time for performance of its Services.

13. INDEMNIFICATION. NUS shall defend and indemnify CLIENT from all claims, liabilities, demands, costs, expenses (including attorneys' fees) and causes of action arising out of third party claims for bodily injury (including death) and damages to tangible property to the extent caused by a negligent act or omission of NUS, its employee or subconsultant.

14. INSURANCE. During the term of this Agreement, NUS shall maintain insurance of the following types: (1) Workers' compensation in accordance with statutory requirements of the jurisdiction in which the Services are to be performed; (b) Employer's liability insurance in the amount of \$250,000; (c) Comprehensive General Liability Insurance subject to a limit for bodily injury and property damage combined in the amount of \$1,000,000 per occurrence; and (d) Automobile liability insurance subject to a limit for bodily injury and property damage combined in the amount of \$1,000,000 per occurrence.

15. ELECTRONIC MEDIA. (a) NUS may deliver electronic copies of documents or data ("Electronic Files") in addition to printed copies ("Hard Copies") for the convenience of CLIENT. CLIENT, its consultants, contractors and subcontractors may only rely on the Hard Copies furnished by NUS. If there is any discrepancy between any Electronic File and the corresponding Hard Copy, the Hard Copy controls. (b) CLIENT acknowledges that Electronic Files can be altered or modified without NUS' authorization, can become corrupted and that errors can occur in the transmission of such Electronic Files.

16. THIRD PARTY BENEFICIARIES. Except to the extent any claims alleging negligence are asserted directly against any NUS employee wherein such NUS employee shall be deemed a third party beneficiary to this Agreement and the protections in favor of NUS, there are no third party beneficiaries to this Agreement.

17. CLIENT OBLIGATIONS. CLIENT shall provide NUS full information regarding CLIENT's requirements for all Services and shall provide information regarding existing facilities, such as drawings, as-built drawings, legal description, easements, rights of way, agreements with any utilities, or any other information in CLIENT's possession which is necessary or useful in connection with the Services. CLIENT shall appoint a representative that will have the authority to make decisions on behalf of CLIENT regarding the Services. CLIENT shall make decisions regarding the Services in a timely manner.

18. DESIGN WORK PRODUCT. NUS owns all right, title and interest in all documents created or delivered by NUS under this Agreement, including but not limited to all plans, specifications, drawings, CAD files, electronic data, software programs and the source code (collectively the "Design Work Product"). CLIENT is granted the right to use the Design Work Product for itself and for its other contractors, subcontractors as needed for the use, occupancy or maintenance of the completed project. In the event this Agreement is terminated for any reason other than solely as a result of a material breach by NUS, CLIENT's right to use the Design Work Product automatically terminates without notice or further action of NUS. CLIENT shall

CITY OF BETHEL

Post Office Box 1388

Bethel, Alaska 99559

Phone: 907- 543- 2047

TO: City Manager

FROM: Human Resources

SUBJECT: Monthly Manager Report

DATE: March 1, 2026

The following identifies significant projects that were in addition to general personnel action-based activities during the month (hiring, terminations, benefits review, employee support, etc):

Employee Training

HR Topics: Annual training on Harassment Prevention, Workplace Bullying and Violence is progressing with . All three topics require a minimum of 1 hour and 25 minutes to complete. Staffing shortages for some work areas and internet reliability in various City locations has had a significant impact on employee's ability to complete training.

Safety Training

HR sent the first periodic safety topic email. Topics will first focus on areas identified in Incident and Workplace Injury Reports. This initiative will assist the City in reducing our liability insurance cost through an option that provides credits to the City for HR- or safety-related training. Additionally, if supervisors have a particular topic they wish to cover, HR has a large database of topic sheets.

Periodic HR Information Sessions

HR is in the planning phase for "Tuesday Talks" – Teams-based training to cover areas such as benefits, City processes, the CBA, the Employee Handbook and other policies. Employees will be able to submit questions ahead of time that will form the basis of each presentation. Presentations will be recorded.

Policy Update

With the internet outages, HR has delayed the roll-out of the updated Employee Handbook, now planned for the month of March. HR is exploring the option of creating a live, electronic version that can more easily be updated when various personnel laws change.

Classification and Compensation

The Compensation Study is continuing, with the contractor beginning work on revised Job Descriptions for all City positions. A preliminary report is scheduled for the week of March 16th, to provide initial cost estimates related to the external wage review, reclassification recommendations and addressing internal equity among current staff.

Recruitment and Hiring

Police Officer applications include internal candidates for the vacant Sergeant position and because the background vetting process typically takes longer than 60 days, there are additional applications still in review.

The average and median retention values reflect our current employees. Based on our NeoGov onboarding statistics, of the 60 new permanent hires onboarded during 2025, 25 were separated during the year and worked an average of 1.96 months.

- Youth Swim Lessons: New 8-week season started Feb. 17th
- Video Instruction: Implemented video instruction using TV monitor and online videos. Test run with Senior Programming (weekdays 10AM) with plans to make available for checkout to public. TV donation from YKHC/YK Delta Lifesavers.

Dog Park

- Administration continued to look for documentation to the rights and ownership of Riverview Park. Finding none, we are planning to advance the proposed park ordinance while continuing the search.

Facilities

- Sprinkler system is fully operational again as of mid-February when Johnson Controls repaired the broken part. City installed a utility door in hopes of avoiding future freeze-ups/ bursts in that location (Original rupture occurred Saturday 1/10).
- We maintained consistent Rec Swim hours all 6 days per week.
- Pool & spa temps maintained, until the cold snap at the end of month which sent temperatures down gradually. Ideal Pool: 83-84F. Ideal Spa 103-104F.
- Operational again:
 - Camera security system (6/11 cameras).
 - Spa UV light
 - Women's Suitemate suit dryer.

- **Small Boat Harbor**

With the Small Boat Harbor being closed. There has been little to no activity in the harbor. In February, we maintained access to the parking lots by clearing snow. On the south side, we are down to just one vehicle: other than that, Napaimute Ent. Is utilizing part of the parking lot for heavy equipment to maintain the ice road. On the North side, port staff was able to make a trail to the new floats and down stack them off of the AML flats. Once they were empty, the flats were stacked up into two piles for ease of pick up this coming summer. This next month we will work on taking all the cleats and usable bolts, and steel off of the old floats before they are moved.

- **City Dock/Beach 1/Petro Port**

City Dock and Beach 1 have been quiet as of late. We currently have 2 crews working on freight and boats this month. As well as contractors looking to pick up freight. We are still behind on the snow removal at the city dock. We believe this task is vital to having a dry, workable dock in the late spring and moving into the summer months. Originally, I had said we would be done by mid-February. We were not able to accomplish this task. Our staff, as well as many others in the City, were helping the Water and Sewer Department to get services out to the public. I expect us to be caught up the dock snow removal by mid to late March.

- **Port Office**

The port office is running well. We have no issues with building. Building Maintenance continues to do daily checks on the building, with no problems. The Port Commission did not meet last month due to a lack of a quorum. Our next meeting is scheduled for March 16, 2025, at 7 p.m. This month we will be discussing charge rates for the Port, as well as going over our calendar for the 2026 year. We encourage the public to attend if they would like to know more about the Port.

- **Admin / misc.**

Storage should be completed by the second week of the month and billed after all calculations are complete. We have meet with BNC about property clearing down near beach 2. They have a large amount of land down that way. And are looking at the possibility of clearing it of brush. We have reached out the the State of Alaska Division of Natural Resources about the ADVs in Steamboat Slough. They have

provided us with a list of vessels they are aware of, as well as research they have compiled over the last two decades. We have also reached out to the local tribal organizations to see if they have any files on the vessels. We are currently working on finding vendors and preliminary numbers on what it would cost to automate our front gate as well as to replace the warehouse on the City Dock.

MEMORANDUM

DATE: March 2, 2026
TO: Lori Strickler, Acting City Manager
FROM: John Sargent, Grant Manager

SUBJECT: Grant Manager’s Report for March 10, 2026 Bethel City Council Meeting

Loans in Play

Bethel Heights Water Treatment Plant Automation

City of Bethel signed the State Revolving Fund loan agreement that puts in play \$1,418,000 to upgrade the water treatment plant with a SCADA system. The loan is 100% forgivable.

City Subdivision Water Treatment Plant Automation

City of Bethel signed the State Revolving Fund loan agreement that puts in play \$1,369,000 to upgrade the water treatment plant with a SCADA system. The loan is 100% forgivable.

Grant Applications Submitted

FEMA Public Assistance Project – Glycol Leak

The documents and project description were submitted on the FEMA Grant Portal on February 10, 2026. The cost of the project is \$31,374.

Letter of Interest – Denali Commission

I prepared and submitted a Letter of Interest form to the Denali Commission in response to their grant opportunity for match money to be applied to transportation projects funded by grants. I asked for \$785,129 as match for the Akakeek, Ptarmigan, Delapp – Heavy Road Use project.

SRF Questionnaire – Jetter System

I submitted a State Revolving Fund Loan questionnaire to the State of Alaska, Department of Environmental Conservation and requested \$80,000 to purchase two dual cart gas jettors to thaw frozen sewer lines in Bethel Heights Subdivision in winter.

SRF Questionnaire – Water and Sewer System Assessment

I submitted a State Revolving Fund Loan questionnaire to the State of Alaska, Department of Environmental Conservation, and requested \$75,000 to pay a consultant to assess the city’s water and sewer system operations and find efficiencies/cost savings.

Senator Murkowski Congressionally Directed Spending Requests:

1. Bethel Community Center Expansion (Gym) (\$3,000,000)
2. City Cargo Dock East Wall Design (\$3,000,000)
3. Construction of Animal Control Center (\$300,000)
4. Port of Bethel Security Cameras & Lighting (\$360,000)

Grant Applications in Preparation

Community Safety Patrol

Due to the State's fiscal woes, the FY 27 grant amount is the same reduced amount of \$242,311, which means the grant will only fund two CSPs, not the typical three. Grant application is due March 24, 2026.

Public Assistance

I have weekly meetings with FEMA employees to discuss funding requests by the city related to the Typhoon Halong disaster. The city has three projects that meet the minimum \$4,000 threshold:

1. Use of transit vehicle to shuttle evacuees and other around town.
2. Use of F250 pickup truck by the Department of Homeland Security.
3. Use of Streets and Roads Shop as a warehouse.

EPA Grant for Removal of Derelict Vessels

The City decided to step back and re-evaluate the program and what it will take to remove one or more barges from Steamboat Slough. The city is gathering information to prepare a new budget that includes a project manager.

Transportation Alternatives Program

This grant is now open year-round for submissions. I will prepare an application for the trail project selected by the City Manager.
